the annual student publication of
DENTON HIGH SCHOOL
DENTON, TEXAS

Dedication

MR. CHARLES L. WILSON

Among the necessary and entertaining programs of school life is the publishing of the bi-monthly newspaper and annual year-book.

The guidance and leadership needed for producing these earmarks of a well-rounded and versatile school year are to be found in the person of Mr. Charles L. Wilson. Without his constant striving and endeavoring to make the publications fulfill the school's ideals, probably the merits awarded them would never have become a reality.

May Time treat him gently and smile kindly on his efforts to make this a better school and a better world in which to live. It is with this thought that we, the 1954 Bronco Staff, solemnly dedicate this memorial to him.

Foreword . . .

Here is your book. Long hours have been spent trying to make it a memorial that you will treasure all your life. We have tried to depict the growth and progress of Denton High School through these pages. Our success in doing this depends on how you, as a student, accept our efforts.

Denton High School has made phenomenal strides toward becoming the best school, with the best faculty, and with the best student body in all of Texas.

Not only have we tried to show extra-curricular activities, such as dances, sports, elections, assemblies, and clubs, but we have done something heretofore considered radical and extreme for high school annuals. We have actually tried to picture the curricular side of high school through scenes from typical classroom procedure in each department in the school.

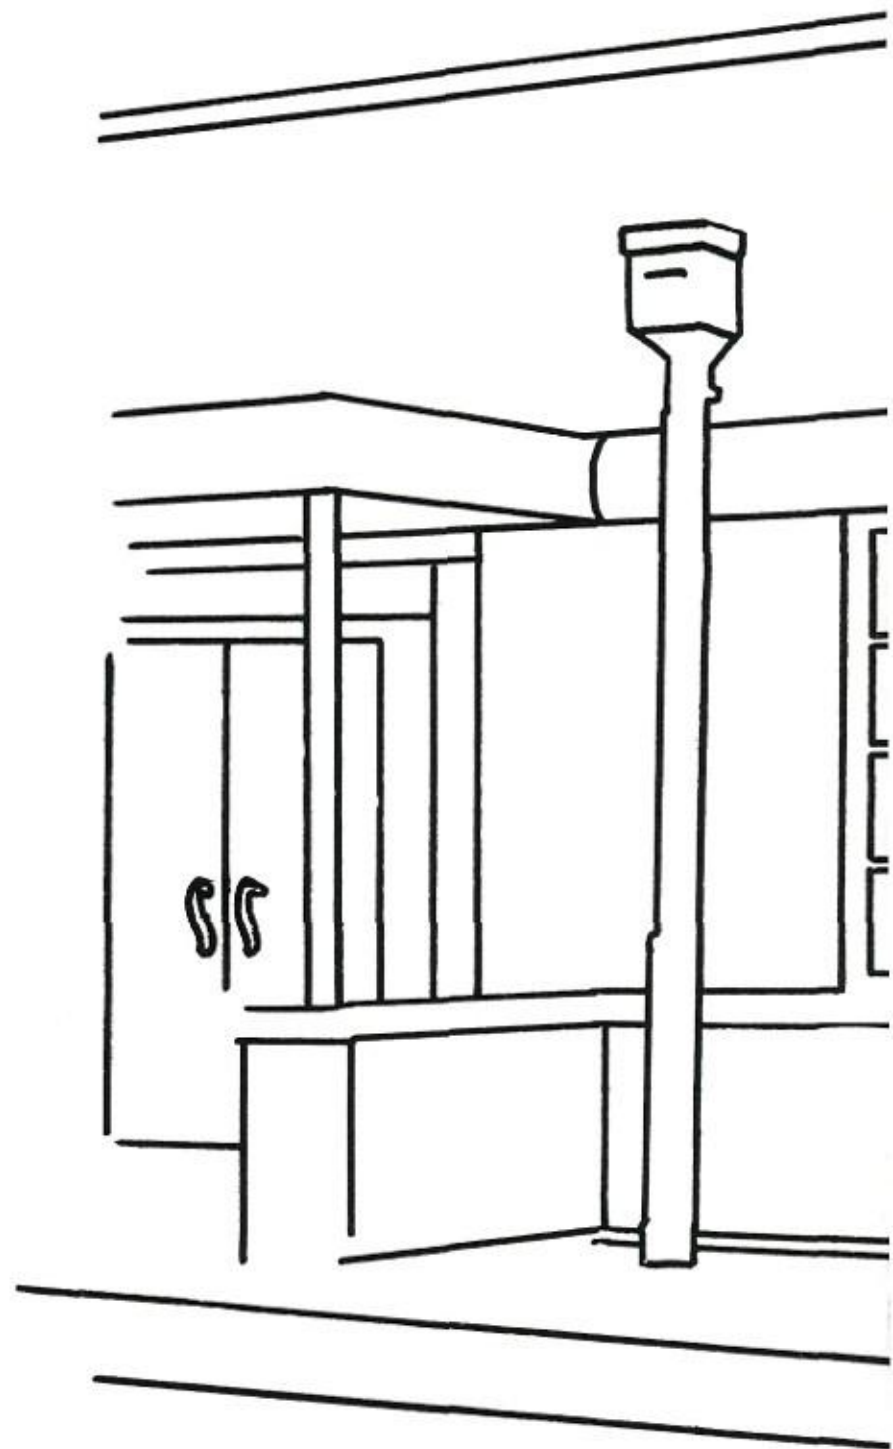

We would like to express our sincere appreciation to every faculty member and to every student who has helped in some way to make this one of the most outstanding years in the history of Denton High School.

As our seniors approach graduation, we extend to them our best wishes and hope the work they have done here will prove to be of value as they continue through life.

We hope you enjoy the Bronco as much as we enjoyed publishing it. It was ours for almost a year. Now it belongs to you.

Mr. R. R. Hyman, biology instructor, holds a class demonstration on plant life. It is hoped that the look of rapture on David McKenna's face is due to a deep interest in the subject matter and not to his close proximity to Mr. Hyman.

To the Students and Faculty:

This is our story! The story of the growth of our school and the many events which highlighted the 1953-54 year. This book contains 176 pages of countless hours of work recorded for your memory. Although we lost a little sleep, weight, and our appetites, we enjoyed every minute of preparing your 1954 Bronco. This book is for you—lest you forget!

With all the hub-bub and bustle, there has to be some clear-headed thinking and a firm purpose or nothing could be accomplished. The most careful plans and perfection in work is demanded in the making of a school newspaper.

Each story is checked and rechecked for mistakes. Names must be spelled correctly, situations and activities correctly stated, and never must a person's character be damaged.

The stories may appear simple and easy to write and the paper may be taken for granted and expected to be issued promptly every two weeks, but the work and preparation that goes into it is really one of the most complex jobs—and lots of fun.

STUDENT COUNCIL

Realizing the need for training in citizenship and government, the Student Council furnishes a fertile field for preparation in leadership and service to the community, whether it be the school community or one of wider scope.

Student government has long been one of the neglected phases of school life. The Denton High Student Council has made large strides to correct this deficiency in school curriculum. Through its many service projects it has made a name for itself and has

done many worthwhile things for the growth of the school.

It has cooperated in the promotion of better school spirit, fostering of school relations between other schools in this vicinity, and better cooperation between the student body and faculty.

The Student Council is a member of the Texas Association of Student Councils, Southern Association of Student Councils, National Association of Student Councils, and the North Texas Student Forum.

HONOR SOCIETY

The National Honor Society is a select group of students who have shown evidence of their scholarship, leadership, service, and character during their high school careers. Prospective members are screened and recommended by faculty members who have come in contact with them as individuals.

As the neophyte participates in the impressive

candle-light ceremony, he begins to realize some of the significance of the organization of which he is becoming a part. Members are usually initiated into the Honor Society at the end of their junior year in high school. This gives them a full year more during which they strive to live up to the high standards set up by their charter.

riendliness and service

Friendliness—Service—Social activities. These three things are the highlights of this club. Under the direction of Mrs. Cecile Bell McKelvey, the Hi-Lite Club has proved to be one of the most successful in school. This year the enrollment reached an all-time high, 160 enthusiastic members, all female.

Girls in the Hi-Lite Club have a common characteristic known as friendliness. These ambassadors of good-will spread their bright smiles and cheery hellos throughout the halls of Denton High School and have brightened many sad faces. A part of their "Be Friendly" campaign consists of an annual get-acquainted tea to which all newcomers to D.H.S. are invited. The tea has a dual purpose, for it helps the new students to become better acquainted with other students and teachers, as well as providing plenty of entertainment and refreshments. Another annual project is the giving of cheerbaskets to needy families at Thanksgiving and Christmas.

As part of their social activities, the Hi-Lite Club sponsors dances, parties, and hayrides which usually include the entire student body. All the members work hard on these activities and the result is a successful outcome of which everyone can be proud.

First row: Ann Cochran, Carol Baze, Barbara Baker, Jeanne Anne Bridges, Sue Walker, Mary Jo Newberg, Jo Ann Spindle, Marcia Wells, Max Burden, Jean Anderson. *Second row:* Ann Reeves, Gene Qualls, Jack Wilson, Jo Ann Roberson, Darla Estes, Charles LaGrone, Anne Barnett, Hinkle Worthey, Jackie Lowery, Marsha Hall. *Third row:* David Boles, Jerry Knight, Gary Bell, Stewart Jackson, Ralph Adams, Troy Hall, Bob Callahan, David Flyr.

FOOTLIGHT PLAYERS

Even though the song does say "Life upon the wicked stage is just too much for me," the members of the Footlight Players carefully ignore this warning and go happily on their way planning the newest production, which may range from serious drama to a gay, lighthearted comedy.

This club, which was newly organized this year, consists of people interested in acting and improving their acting technique. On some of the programs, short skits are presented by different members and criticisms are offered by the other members.

On several occasions guest speakers from North Texas State College and Texas State College for Women talked with the members.

OFFICERS—*Seated:* David Boles, First Vice-President; Freda Goodner, President; Stewart Jackson, Second Vice-President; Mrs. Venson Hall, Faculty Advisor. *Standing:* Jerry Knight, Parliamentarian; Jo Ann Roberson, Make-Up; Charlotte Ober, Secretary-Treasurer; David Flyr, Musician.

First row: Gene Qualls, Miles Schulze, Barbara Baker, Freda Goodner, Rita Allen, Dorothy Jo Downey, Emma Jean McCrory, Jack Wilson. Second row: Barbara Schleinat, John David Monroe, Kay Williams, Charlotte Ober, Eloise Midgett, David Boles, Hinkle Worthey. Third row: Paul Stevens, Ralph Adams, Stewart Jackson, Troy Hall, Stephen Smith, John Caulfield.

FORENSIC CLUB

Just think how hard it would be to advance civilization if people could not talk. If speaking is so important, then one should certainly make good use of it, as do a certain group of people who are members of the Forensic Club.

Working closely with the speech department, the Forensic Club is actively interested in public speaking and has a good record in that field as a result. It is assured and proven that whatever the club chooses to do, it strives to do well.

OFFICERS—Miles Schulze, Vice-President; Mrs. Venson Hall, Faculty Advisor; Kay Williams, President; Eloise Midgett, Secretary-Treasurer.

First row: Jackie Lowery, Celesta Carter, Frances Hall, Charlotte Ober, Kay Williams, Jolene Logan, Jimmy Rowe, William Calmes. *Second row:* Charles LaGrone, John Mark Fletcher, Gorlyn Bronstad, George Becker, Tommy Weygandt, David McKenna, Richard Compton. *Third row:* Phillip Speegle, Mil-

burn Atkins, John Caulfield, Max Simmons, John Mozingo, Wilburn Smith, Truman Teel, James Higgs. *Fourth row:* Billy Steele, Bobby Huggins, Pete Zachry, Douglas Kregel, Paul Hackworth, Paul Stevens, Bailey Hulse, Walter Barnes.

SCIENCE CLUB

The students in this club have varied interests in the fields of science. Working closely with class projects and interests, their activities cover the ranges of science from radio and electrical jobs to biology and the mysteries of the test tube. Most of the students intend to carry on their interest in science to the extent of making a vocation of it.

This organization has made a good name for itself in times past. Various members of the group have won high awards for their studies and projects. These people now serve as examples and inspirations to the winners that are sure to follow if the Science Club keeps up the good work.

OFFICERS—Mr. R. R. Hyman, Faculty Co-Advisor; Truman Teel, President; Charles LaGrone, Vice-President; Kay Williams, Secretary; Mr. Wayne Taylor, Faculty Co-Advisor.

First row: Ernest Fisher, John Mark Fletcher, James Higgs, Gilbert Wilson, Teddy Broyles, Jackie Lowery, Jim Wheeler. *Second row:* Thomas Young, George Becker, Donald Henrich, Mitchell Naugher, Eddie Huey, Gorlyn Bronstad, Truman Teel. *Third row:* Bobby Huggins, David McKenna, Roy Cog-

geshall, Paul Stevens, William Calmes, John Mozingo, Tom McFarlin, Douglas Kregel. *Fourth row:* Milburn Atkins, Teddy Drue, Walter Barnes, Stewart Jackson, Paul Hackworth, Benny Chastain, Bailey Hulse.

RADIO CLUB

Under the able direction of Mr. Wayne Taylor, the Radio Club eagerly turns its talents to technical radio. They study amateur radio and radio laws and regulations. Building and testing radio equipment are also major points of interest. The club specializes

in sending code to points around the world.

The club, through the year, made several field trips to study various phases of radio. The club provides an interesting and entertaining program for talented young men interested in radio.

OFFICERS — Benny Wayne Chastain, Treasurer; Paul Stevens, President; Mr. Wayne Taylor, Faculty Advisor; Don Henrich, Secretary; Truman Teel, Vice-President.

First row: Bobby Morris, Joe Lewis, Ray Toombs, Marijo Roach, Glenda Owen, Joe Kenas, Fred Dobbins, Robert Riney, Burl Arrington. *Second row:* Mr. C. C. Jones, Faculty Co-Advisor; Freddie Cross, William Trietsch, Roy Taylor, Carl Smith, Billy Ray Mowery, Guy Fincher, Ralph Caine, Leslie Vinson, Mr. Wade Frederickson, Faculty Co-Advisor. *Third row:* Jimmy White, Ralph Burch, Gerald Blankemeyer, Harold Blankemeyer, Bobby Sikes, David Clark, Alton Cozby, Dudley Doyle, Glen Ford.

INDUSTRIAL ARTS CLUB

The creation of objects with the hands gives a great deal of satisfaction to members of the Industrial Arts Club. Even though some of them are not skilled artisans with their hands, they enjoy the feeling of accomplishing their goal.

Most of them work with wood, leather, plastics, ceramics, and metal to fashion things for their homes or gifts for their friends. Each member is encouraged to develop a skill or a hobby as a pastime. This club does more for the peace of mind than any other by making successful use of a student's leisure time.

OFFICERS — Glen Ford, President; Marijo Roach, Reporter; Vaughn Wayne Meador, Vice-President; Glenda Owen, Secretary.

First row: Betty Tigert, Laverne Hensley, Anne Barnett, Mary Margaret McBryde, Peggy Aiken, Beverly Gross, Betty Fultz, Carol Willis, Teddy Druce, Nan Kibler, Diane Duncan, Jeanice Parks, Jeanette Parks, Joyce Barber, Gail Allen. *Second row:* Wanda Bothwell, Joy Green, Wanda Stuckey, Marilyn Mercer, Geneva Eason, Sally Hannah, Lorena Moss, Peggy Dutton, Quetha Jo Bell, Hal Ann Pender, Paula Cross, Glenda Brock, Barbara Castleberry, Carolyn Cantrell, Mary Lynn Thompson, Nadyne Jones. *Third row:* Jimmie Nell Wright, Ann Blackburn, Renata Ober, Nancy Howard, Jane Shands, Patsy Jones, Marlene Taylor, Kathryn Weedon, Nettie Ausband, Jeanne Anne Bridges, Jean Carrington, Sylvia Fletcher, Margie Grimes, Margaret Miramontez, Louise Becker, Mary Lou Burford. *Fourth row:* Carol Thompson, Norma Oliver, Maxine Massey, Marcia Wells, Rowena Fielder, Maxine Robinson, Adele

PEP CLUB

OFFICERS—Mrs. C. E. Shuford, Faculty Co-Advisor; Barbara Hundley, Secretary; Carol Cross, Vice-President; Lynn McClurkan, President; Yvonne Clearman, Treasurer; Mrs. Frances Melton, Faculty Co-Advisor.

Pep, pep, and more pep! That is what this club has. With one of the largest enrollments in school these girls really support their team.

As a means of promoting school spirit, members of the club made and sold pom-poms. The Pep Club sponsors an athletic social both in the spring and fall for members of the athletic department, their dates, and members of the club.

Sore throats, wind-blown hair, and frozen feet are trademarks of this highly-spirited club. It is worth it, though, because these girls are behind the Broncos all the way.

First row: Wynna Lou Olman, Laeuna Carpenter, Mary Alice Odom, Jeannine Bernard, Amelia Arnold, Joyce Arnold, Jeanette Miller, Bobbie Sprayberry, Betty Carlton, Joan Hamm, Evelyn Aday, Kate Blackwell, Wanda Allen, Kay Landers. *Second row:* Mildred Crone, Shirley Batey, Elnora Pickrell, Greta Martin, Charlene Ritcherson, Barbara Carlton, Ann Patterson, Sarah Goode, Evelyn Trietsch, Sue Pitt, Martha Doyle, Linda Brewer, Betty Jackson, Ruth Sutherland. *Third row:* Marie Smith, Jean Foster, Shirley Ellenburg, Marinell Crawford, Jan Estes, Claudene Mabry, Wanda Waggoner, Ann

FUTURE HOMEMAKERS OF AMERICA

"To learn to do by doing" could very well be the motto of the Future Homemakers of America. The members of this club realize the importance of being fully prepared to run their future homes with skill and efficiency.

During national F.H.A. week all the new members are initiated into the Denton chapter. The initiation activities are climaxed by an assembly which is presented by the pledges. The assembly is an annual affair and the highlight of it is

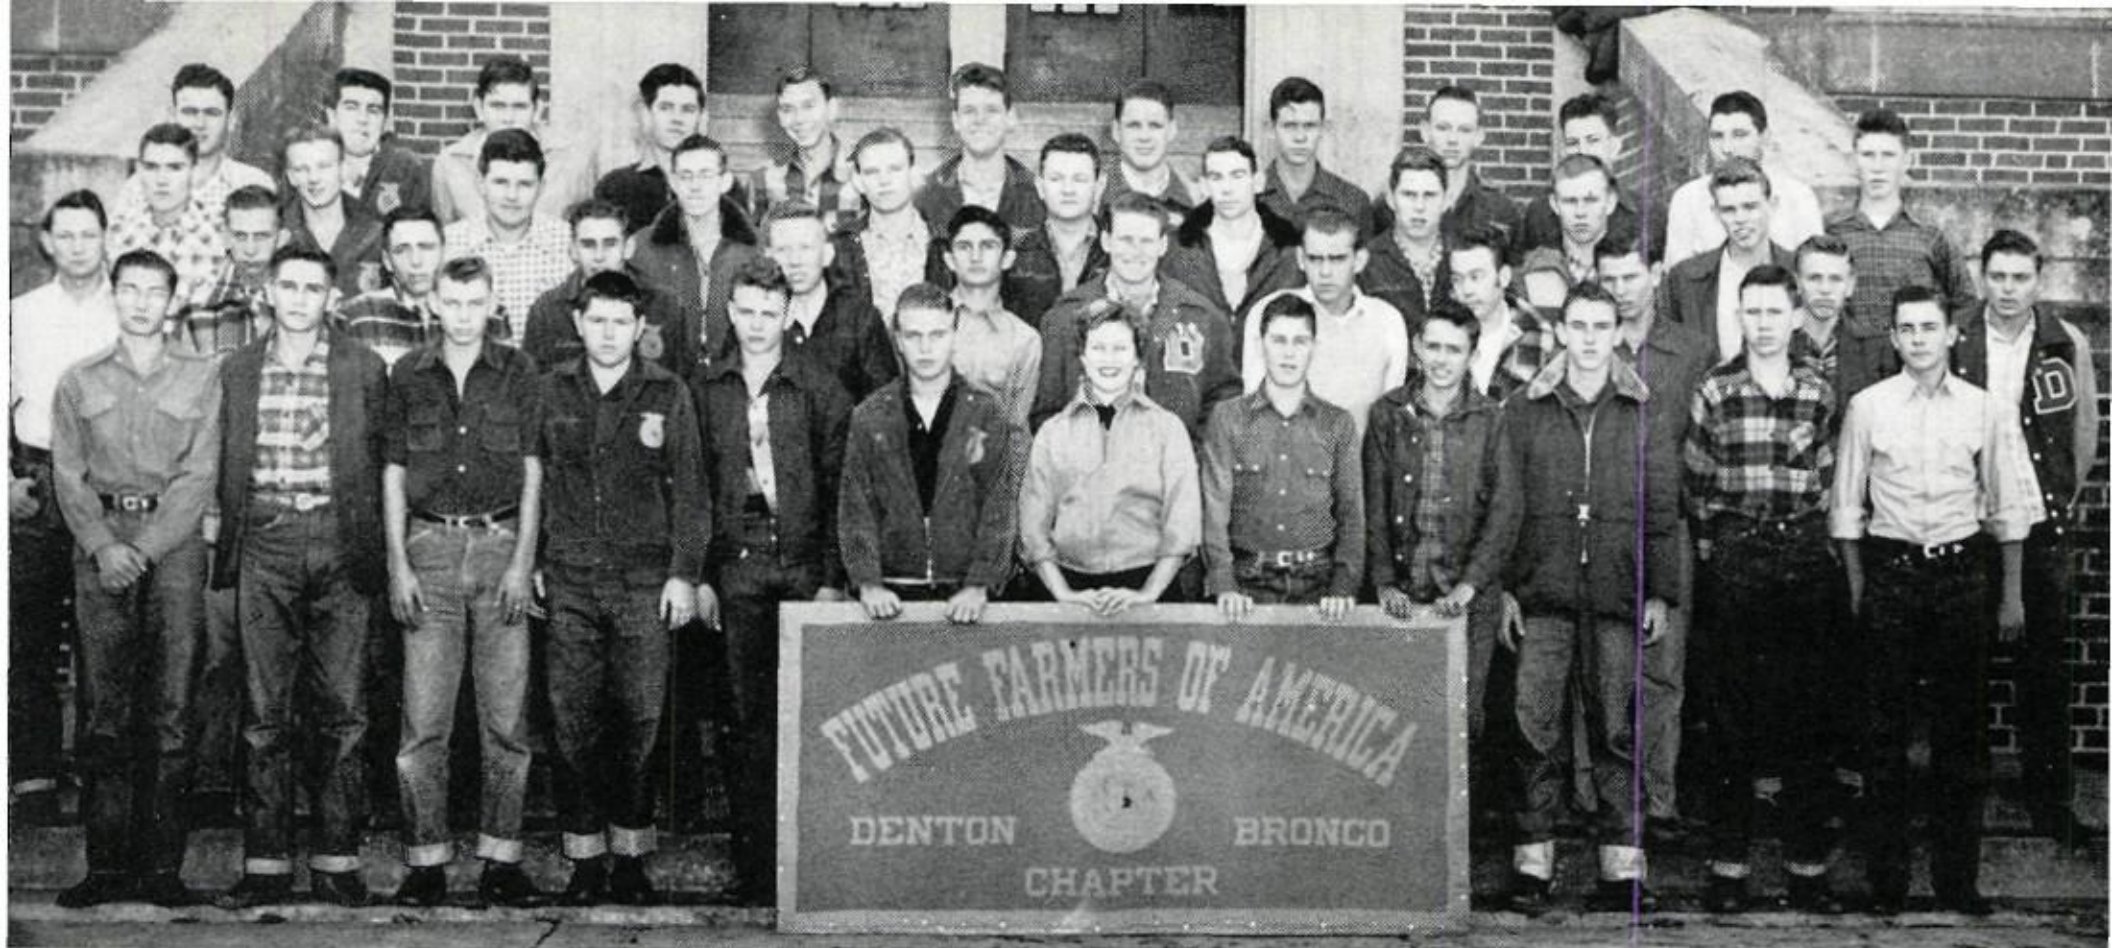

the crowning of an F.H.A. king.

The activities for the year are planned the preceding summer by the officers who were elected at the close of the previous school year. One such activity was the trip to the State Fair of Texas.

All the members of the state and nationally affiliated Future Homemakers of America in Denton High are justly proud of their work and their achievements.

OFFICERS—*Seated:* Mrs. Frances Baker, Faculty Advisor; Kate Blackwell, President; Laura Brewer, Vice-President. *Standing:* Ann Patterson, Parliamentarian; Wynna Lou Olman, Sergeant-at-Arms; Shirley Trietsch, Secretary; Claudine Mabry, Song Leader; Sue Pitt, Reporter; Wanda Gillespie and Evelyn Trietsch, Pianists; Gene Foster, Historian; Gwen Hunter, Treasurer.

Glen Wood, Jerry Young, Tommy Noles, John Mozingo, Billy Kellum, Jim McMahan, Gerald Fowler, James Corbin, Carl Smith, Charles Higgs. *Fourth row:* Donald Gabbert, Kenny Fry, Bill Jones, Frank Rich, William Lawson, Kenneth Turner, Gerald Wilson, Herman Stout, Melvin Haisler, Joe Shelton, Ernest Calvert, Ernest Brown.

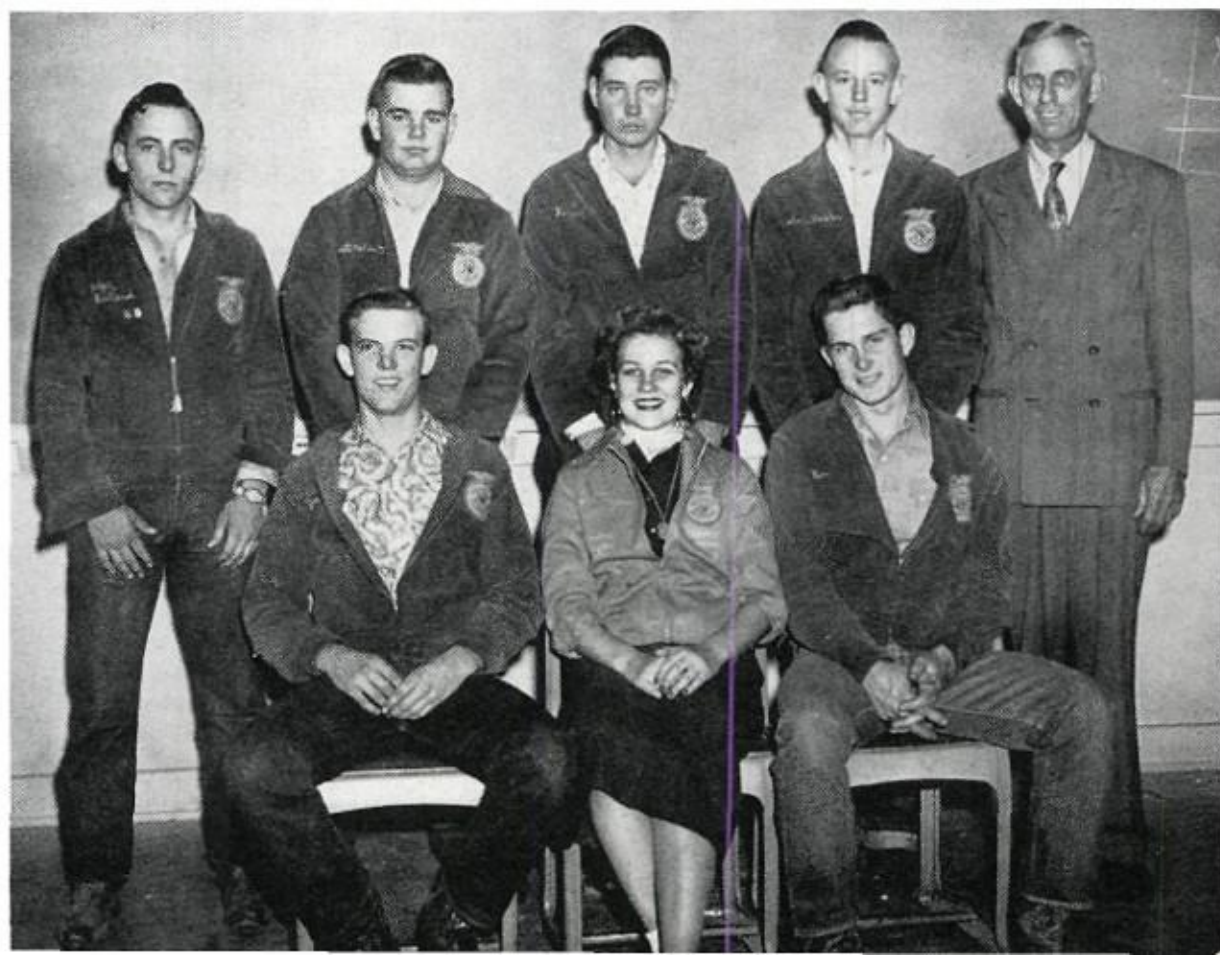

FUTURE FARMERS OF AMERICA

A boy, shivering in his woolen jacket, carries a load of hay in one arm and a sack of oats under another. After the animals are fed and cared for, he takes another look at the winter wheat, growing fast and strong, then hurries to complete his many chores before the sound of his ma's voice calls him to a big country breakfast.

This is an F.F.A. boy, working at one of the most necessary

jobs in the world, the feeding of the multitude. He gets the best training and background in his varied classwork activities in high school. Think of the satisfaction he must get as he looks back at his well-kept farm home, healthy stock, and thriving grain that he has aided the Master in creating. As he turns to board the bus for school, he has every reason for happiness and confidence in the role he is playing.

OFFICERS — *First row:* Billy Kellum, President; Mary Lou Moore, Sweetheart; James Corbin, Vice-President. *Second row:* Ralph Bullard, Secretary; Ray Brandenberger, Treasurer; Ernest Calvert, Parliamentarian; Melvin Haisler, Reporter; Mr. H. D. Roberts, Faculty Advisor.

First row: Wynna Lou Olman, reclining; Charlotte Ober, Phyllis Ingram, Betty Jackson, Sandra Witt, Sharon Boyd. Second row: Mrs. Maxie Dibble, Faculty Advisor; Maxine Robinson, Loretta Rawlings, Betty Manry, Ramona Rhoads, Juanita Fortune, Mary Ann Machart, Pearl Henn.

FUTURE NURSES CLUB

Realizing the importance of preparing for the future, this club is preparing for a career to aid its fellow men and women. The Future Nurses Club has taken many field trips to different hospitals and clinics in this area to observe and study trends in medicine and nursing technique.

During their regular meetings, the members invite different speakers to talk to them about methods and hospitals. They also study the different branches and training centers for nurses.

Most of these girls are convinced that they want a career in nursing and are serious in their pursuit of knowledge which will help them further their choice.

OFFICERS — Charlotte Ober, President; Wynna Lou Olman, Treasurer; Betty Jackson, Secretary; Sharon Boyd, Vice-President.

First row: Doris Davidson, Annette Stout, Sally Becker, Colleen Dyer, Jo Ann Spindle, Ruby Fuller, Betty Mitchell, Gene Foster, Maxine Shepherd, Glenda Brock. *Second row:* Jim Bob Dobbins, Joyce Herring, Mary Bess McCrory, Marcielle Wilks, Mary Ruth White, Helen Coulter, Dorothy Rippe, Beverly Brady, Hubert Wills. *Third row:* Mr. Homer Bronstad, Faculty Advisor; Spencer Miller, Eldon Peacock, Gary Bell, Jerry Martin, Billy Callan, Charles Williams.

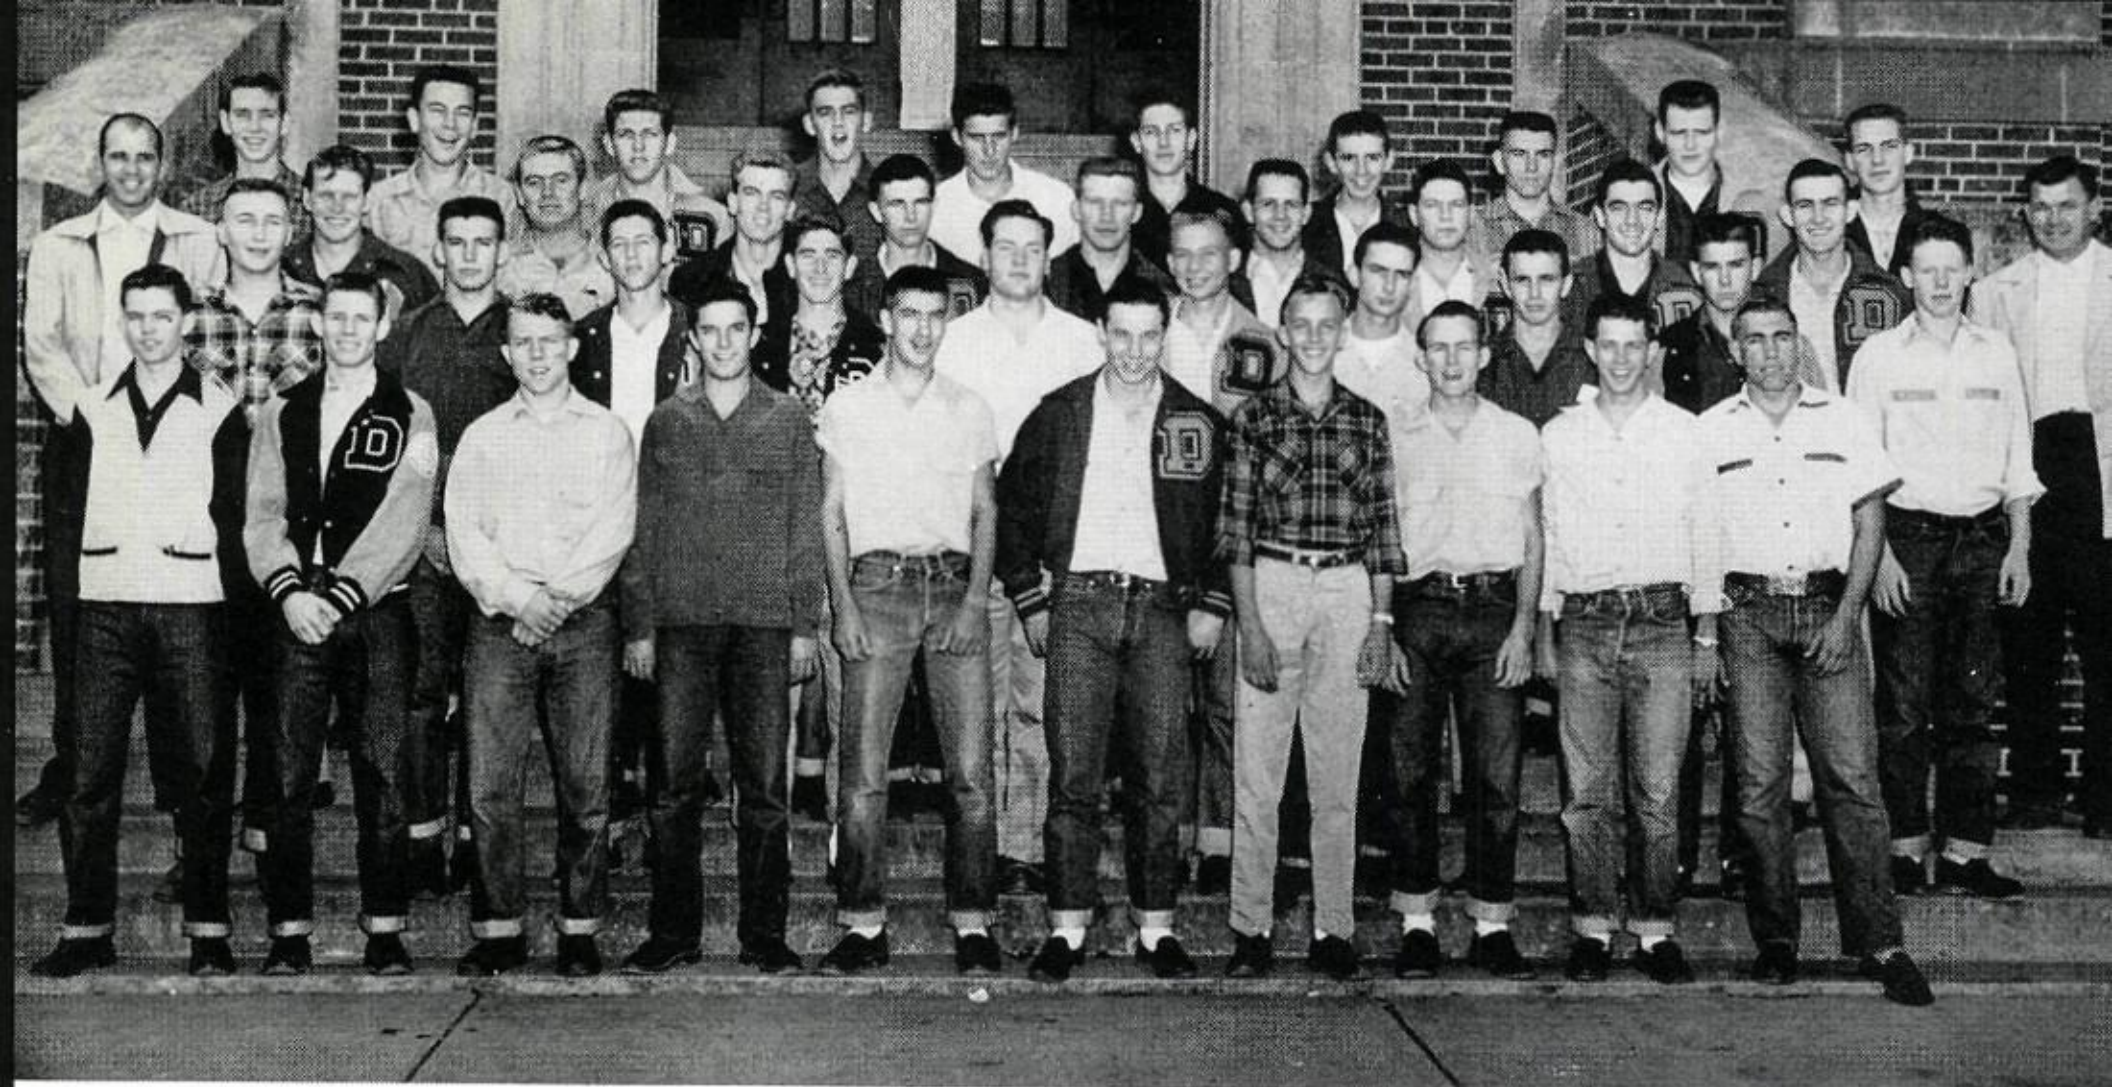

DISTRIBUTIVE EDUCATION CLUB

The membership of this club is made up of the members of the distributive education classes of Denton High School. These students earn while they learn in the field of distribution and retailing of goods and services. During their junior and senior years, students may participate in this program. In the mornings, the students attend classes and participate in all the school activities. In the afternoons, they work downtown at various retail and service stores.

Club periods are devoted to films, speakers, and programs about selling and distributing goods.

OFFICERS — *Seated:* Sally Becker, Secretary; Gary Bell, President; Mary Bess McCrory, Vice-President. *Standing:* Jim Bob Dobbins, Sergeant-at-Arms; Spencer Miller, Treasurer.

First row: Robert Downey, Lafayette Newland, Thomas Carroll, Harold Prewitt, John Pierce, Durwood Knight, Jan Smith, Freddie Cogdell, Jerry Thompson, Doy Hammett. *Second row:* Jim Mays, Carroll Shahan, Darwin Keeler, Billy Grissom, Oliver Rankin, Lewis Compton, Lee Amyx, Gunter Knight, Donald Smithers, Tommy Black. *Third row:* Mr. Cecil Maritn, Faculty Co-Advisor; Roy Taylor, Terrell King, Norman Puckett, Donald Moore, Bill Carrico, James Cogdell, Bobby Grisham, Tommy Joe Knight, Billy Cogdell, Mr. Walter Parker, Faculty Co-Advisor. *Fourth row:* Jim Adams, James Shelton, Garland Warren, Curtis Land, Charles Strickland, John Troeger, Jack Harris, Jimmy Gage, E. J. Weldon, Myron Howard.

BOYS' SPORTS CLUB

The old saying about "brawn but no brains" does not necessarily apply to members of the Boys' Sports Club, for it takes both these qualities to make a good athlete.

This club is unique in that it meets every day at activity period during the week, except homeroom period, to go over the rules and fundamentals of football and basketball. To help the boys realize the mistakes which were made in previous games, films are shown which show every play clearly and distinctly, so that they may be corrected in coming games.

Good sportsmanship comes in for its share of study by this group, since that is one of the main purposes of the club. Character building is all-important to a well-rounded athlete and youth.

Although the Boys' Sports Club has many purposes, the main one is to help the members realize that "it matters not whether you win or lose, but how you play the game."

D CLUB

Swat! This little four-letter word carries with it a lot of feeling. Especially when it comes from a well-made paddle during initiation week of the D Club. Before a boy can even participate in this "well-loved" week or any activities sponsored by this club, he must have earned that purple and gold "D."

These boys have learned to work earnestly and with a winning spirit. Sportsmanship is the key to the D Club and these boys unlocked the door when they learned to win or lose with a winning spirit.

In addition to participating in the various sports, the D Club has been active in running the concession stands at the football and basketball games. The money derived from this is used for special club functions.

First row: Hubert Wills, Joe Bowers, Joe Lewis, Miles Schulze, Mitchell Naugher, John Pierce, Durwood Knight, Lanier Wilson, Gunter Knight. *Second row:* Jimmy Gage, James Cogdell, Billy Cogdell, Bobby Grisham, Bill Carrico, Truman Teel, Darwin Keeler, Lewis Compton. *Third row:* Mr. Cecil Martin, Faculty Co-Advisor; Garland Warren, Harold Cudd, Bill Hinkle, John Troeger, E. J. Weldon, Tommy Joe Knight, Donald Moore, Mr. Walter Parker, Faculty Co-Advisor.

Charles Daugherty. *Third row:* Paul Stevens, Tommy Joe Knight, John Troeger, Bill Hinkle, Billy Cogdell, Bill Carrico, George Gantt, Dan Hinkle.

KEY CLUB

The Key Club is sponsored by Kiwanis International and is an affiliate of the national Key Club. The purpose of these youths is to serve their school as the Kiwanians do their town and community.

The club is run mostly by committees, who, after meeting, present their ideas to the board. After the approval of the board, the plans are carried out.

Once a month the Key Club is the guest of the Kiwanis Club at their weekly luncheon. Twice during the year, these young men present the program, proving themselves to be able leaders of the future.

OFFICERS—John Troeger, President; Bill Hinkle, Vice-President; Pete Zachry, Treasurer; George Gantt, Secretary.

First row: Richard Cook, I. M. Atkins, Miss Lois Averitt, Faculty Advisor; Lewis Compton. Second row: Neal Hansen, John Caulfield, Truman Teel, Dale Green, Ben Goode, Charles Ray Smith.

MATH CLUB

BAND CLUB

When it is Wednesday and time for Band Club, one can find a lot of eager musicians around "ye olde band hall." These students enjoy getting away from the usual everyday classes for thirty minutes and indulging in music that ranges from longhair to modern music. The freedom to play any kind of music they want makes this club one of the most enjoyable at Denton High.

Most of the members are members of the Bronco Band, but anyone who can play a musical instrument is eligible to join the club.

Seated: Mr. Carroll McMath, Director. *Standing:* Charles Ray Smith, Treasurer; Richard Cook, Secretary; Ben Goode, Vice President; Randall Ratliff, President.

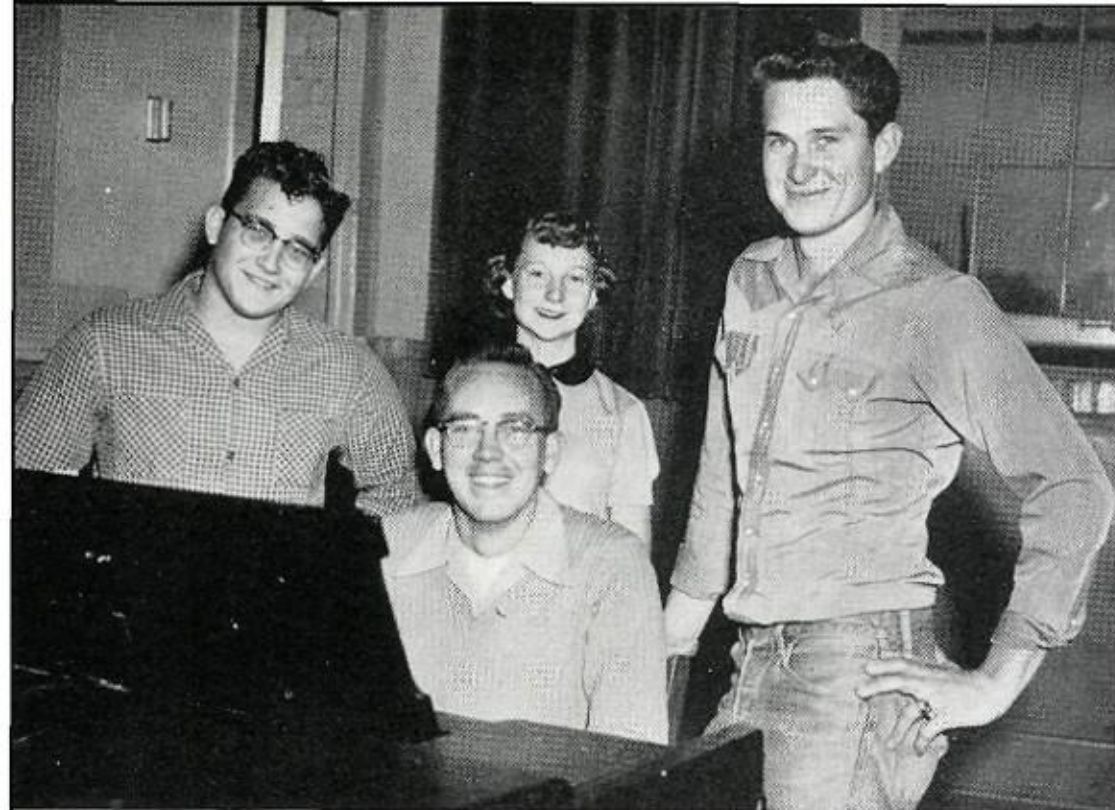

First row: Remus Hutchins, Dick McClendon, Joe Lewis, Sidney Erwin, Joe Bowers, George Erwin. *Second row:* James McCreless, David Myers, Jerry McCombs, Don Hurst, Lanier Wilson, Billy Ray Mowery, Dale Green. *Third row:* Otis Griffith, Joe Brown, Joe Coulter, Mitchell Naugher, Bobby Knox, Dudley Doyle, Randall Phillips. *Fourth row:* Eddie Huey, Michael Moses, David Wright, Claude Byrom, Curtis Brown, Donald Moore. *Fifth row:* Don Calvert, Richard Horton, Ralph Adams, Tom McFarlin, Ivan Dewbre, Mr. John Guyer, Faculty Advisor.

GOLF CLUB

Some say it is a game of champions; some say it is an old man's game. The golfers of Denton High seem to think more of golf than just chasing a round sphere over the countryside. They see a sport which provides a great deal of enjoyment for the talented as well as the novice. The main purpose of this club is to teach the fundamentals of golf. Some of the members even prepare for tournaments which they enter in the spring.

OFFICERS—Joe Brown, President; Eddie Huey, Treasurer; Dick McClendon, Vice President; Sidney Erwin, Secretary.

OFFICERS—Bob Burgoon, Vice President; Mr. Jerry Jackson, Faculty Advisor; Bernie Kay Allen, Secretary-Treasurer; James Corbin, Reporter. Not pictured: Jim Burgoon, President.

CHORAL CLUB

The main purpose of the Choral Club is to enjoy and sing music of all kinds. The club has shown its love for music by singing numbers ranging from jazz and hillbilly to classical and operatic.

The club is divided up into a girls' chorus and two boys' quartets.

First row: Shirley Wright, Bernie Kay Allen, Linda Taylor, Eleanor Pitt, Carol Ann Singletary, Mary Ann Owens. *Second row:* Shirley Trietsch, Claudine Mabry, June Hunter, Ruth Wood, Carol Baze, Nancy Williams. *Third row:* Bob Burgoon, Terry Frakes, Carolyn Powell, Mary Jo Newberg, Barbara Hayes, Joe Cudd. *Fourth row:* Norman Puckett, Bill Hinkle, Larry Buchanan, Dan Hinkle, Tommy Haughton, Phil Harris.

A CAPPELLA CHOIR

Blending harmoniously, the voices of the members of the A Cappella Choir come ringing through the halls of DHS every day. Sometimes the music, being "jazz," rocks the rafters and sends the classes to "jumpin'" and other times, a far-away look can be seen in the eyes of the students as they listen to a sentimental Negro spiritual or a religious anthem.

Not only can their voices be heard around school, but the choir does a limited amount of traveling in and out of town to make appearances. After warbling their songs to the Kiwanis Club, a visitor remarked, "Why, that's the best choir I've heard anywhere in the State of Texas."

OFFICERS—Nancy Howard, Secretary; Maxine Massey, Librarian; Mr. Jerry Jackson, Director; Tommy Haughton, Vice President; Jeanne Anne Bridges, President.

First row: Jeannette Parks, Thomas Young, Margie Stubblefield, Nancy Williams, Charlotte Mitchell, Ralph Adams, Dorothy Jo Downey, Kay Williams. *Second row:* Colette Parks, Richard Allen, Mary Margaret McBryde, Ruth Wood, Susie Stephens, Wayne Lasater, Ben Goode, Don Lipscomb, Sue Beck, Charlotte Boyd, Emma Jean McCrory, Jean Wells, David Flyr, Linda Taylor. *Third row:* Carol Ann Singletary, Nana Ruth Pearce, Marilyn Dicus, Mary Sue Weldon, Charles Dougherty, Carroll Lewis, Ernest Fisher, Joel Fowler, Randall Ratliff, Barbara Hayes, Benny Chastain, Jerry Morgan, Nancy Grandy, Eleanor Pitt, Susie Shields, Mary Reeves, Dick Charles, Paul Stevens, Eloise Midgett, Dara Estes, Patsy Chambers, Ben Whitten, George Gantt.

BRONCO BAND

Noise! Never was there so much noise! Between the bell's ring and the conductor's "Silence!" there is an ear-deafening activity with which even Times Square on Broadway cannot compete. The head-splitting shriek of a fatally injured saxophone reed, the drastically flat "toot" of a tuba, and the fervent, hopeless attempt of a trumpet to imitate Harry James all combine to give the most "breathless" sensations to be experienced—hearing and seeing the Bronco Band tune up.

It sounds bad then, but an instant later, with slender baton poised in the air for a second and breaths drawn in, there is the tiniest fragment of silence, then music. It is music created by a group of people who have worked and worked hard for a long time. They have struggled to learn that "Every Good Boy Does Fine," they have come to school at eight a.m. to practice and march, march, march, and they have braved freezing weather to perform out on the football field for their school and team. It has been worth every bit of time and labor, though, for if they had not put that backbone into their life, there would not be those first-place records and pride in accomplishment that is now theirs to have and to hold.

No little credit goes to Band Director Carroll McMath, who has helped make an enviable record for the Denton High School Bronco Band.

Fourth row: Phillip Speegle, Gussie Caldwell, James Lynn Charles, Jimmy Barber, Jere Higgins, Mary Bess McCrory, Edward Cook, Donald Henrich, Jeanice Parks, Dick McClendon, Mack Massey, Jr., Marion Warren, Lindell Vinson, Donnie Young, Johnny Hutson, June Hunter, Donald Ashlock, Wallace Mulkey, Wayne Lawson, Ernest Brown, Cordell Parker, James Crockett, Bob Callahan, Larry Taylor, John David Monroe, Charles La Grone, Stephen Smith. *Fifth row:* Mr. Carroll McMath, Band Director; Jerry Knight, Eldon Peacock, Paul Hackworth, Jimmy Edwards, Marvin Crabb, Billy Milam, Sterling Smith, Warren Jackson, Max Burden, Iva Nell Mulkey, Dannie Little.

BAND OFFICERS— *First row:* Jerry Morgan, Sergeant; Darla Estes, Sergeant; Jeannette Parks, Sergeant; Charlotte Boyd, Librarian; Colette Parks, Sergeant; Jean Wells, Librarian. *Second row:* Paul Hackworth, Assistant Property Manager; Ralph Adams, Property Manager; Bob Callahan, Sergeant; Paul Stevens, Captain; Joel Fowler, Lieutenant; Wayne Lawson, Lieutenant; George Gantt, Drum Major and Student Director; Benny Wayne Chastain, Sergeant; Ben Goode, Sergeant.

Homecoming

Homecoming Queen Paula Sue Cross sits with her attendants at the Homecoming dance. Left to right, they are: Neal Hansen, Student Council President; Gunter Knight, football captain; Barbara Baker, runner-up; Lee Amyx, captain and escort; Her Highness; Paul Stevens, Student Council Vice President; Carol Willis, runner-up; Garland Warren, captain, and Colette Parks, runner-up.

GET READY!

Paul Stevens waits with an expectant gleam in his eye as Lee Amyx crowns Paula Cross, Homecoming Queen.

GO!

He's off for the races! Paul busses the Queen with a resounding smack as Lee looks on and Jeanne Anne Bridges looks envious.

Exes and students alike attended the dance after the football game. Here the dancers swing and sway to Sam—, oops, the juke box in the recreation room.

"Oh, my poor aching feet!" Ronata Ober and Pat Thornberg compare trodden feet after they've been stepped on by some 12 D's. This is hard on the ho-siery bill, too.

The Denton High Student Council planned an elaborate Homecoming celebration for Denton students and exes. The night before Homecoming, a pep rally was held around a gigantic bonfire in front of the school. The bonfire was prematurely set off the night before and burned to the ground, but it was built back bigger than ever the next day. After the pep rally, a snake dance was held.

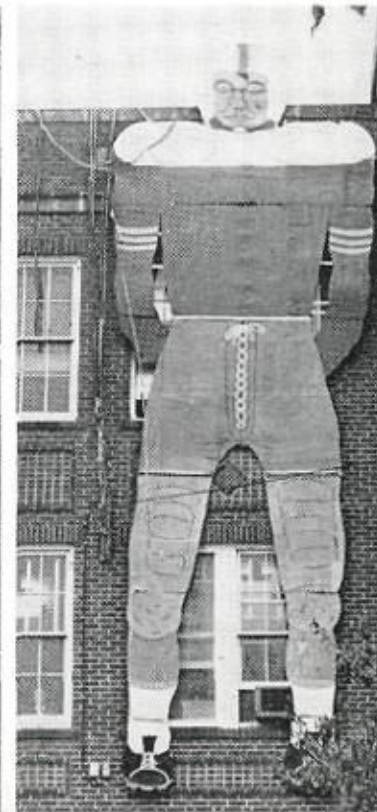

Friday morning, November 20th, Denton High exes presented an assembly to the student body.

Friday night, the Broncos played one of their best games of the season, although the Sherman Bearcats won, 7-0.

Some forsook the dance floor for a crack at the bear with the electric gun. Don Lipscomb takes dead aim as Joe Bowers and Cleveland Crombie watch.

Students made this 36 foot cardboard replica of a Bronco griddier. Wouldn't you know it rained that day.

Sadie Hawkins Day

The Sadie Hawkins Day dance, November 14th, was sponsored by the Hi-Lite Club this year for the first time. Heretofore, the annual staff has sponsored the Dogpatch celebration.

About 80 couples attended the dance and participated in the activities. The girls cooked up a sack race, cakewalk, string game, and foot race (Dogpatch style). Nearly all the girls came back with a man, but the ones who didn't had to pay a forfeit.

The dance was backward with the girls inviting the boys, furnishing transportation, picking up the tab, and making corsages for the boys.

Janelle Grimes, president of the Hi-Lite Club, worked hard with her committees to make the dance one of the outstanding of the year.

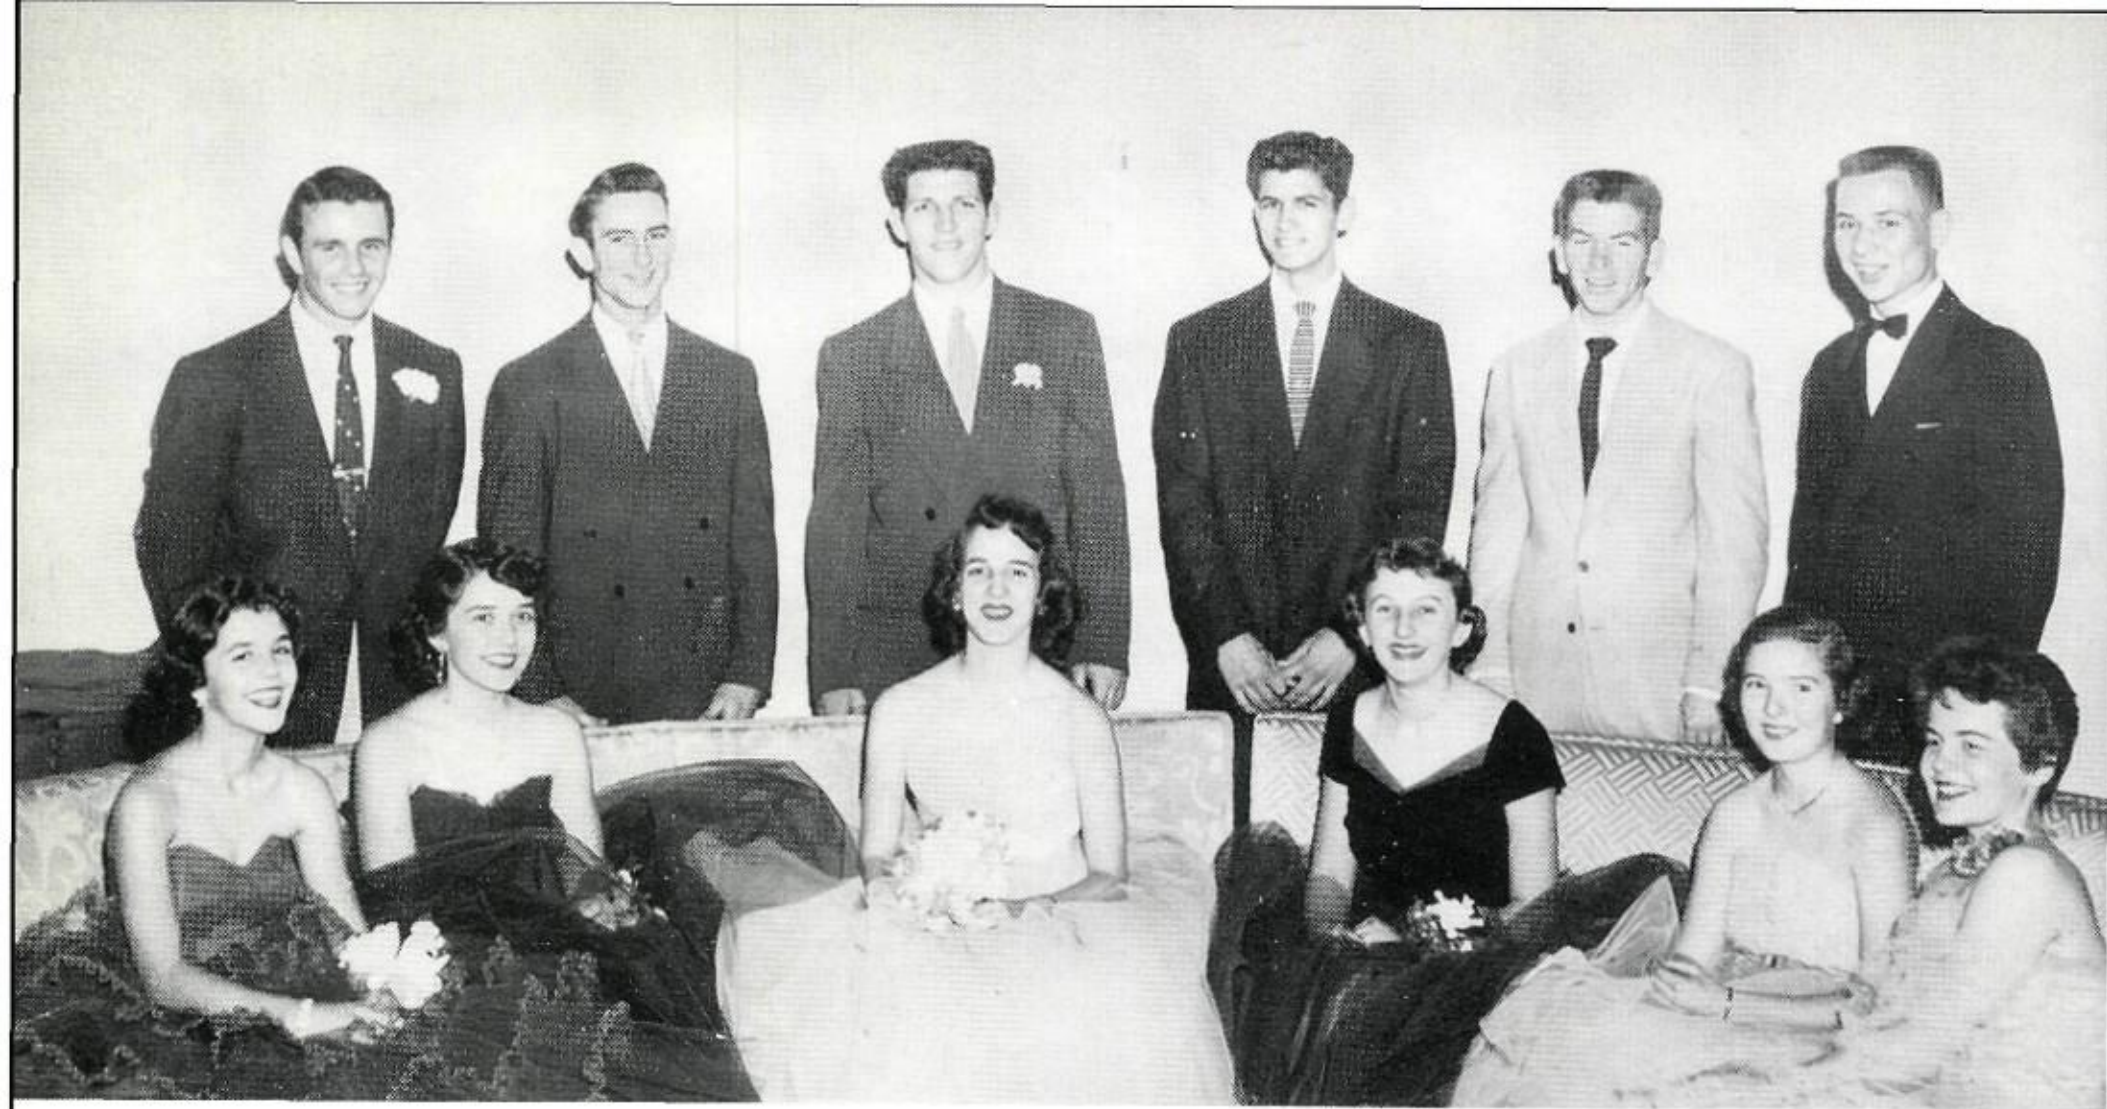

Voted the most typically dressed couple at the get-together were Leopard Girl (Carol Dooley) and Pappy Yokum (Bill Hinkle). The little gym was decorated in a Dogpatch motif, with hay, lanterns, gay streamers, and tow sacks. All couples came dressed as their favorite Al Capps' comic strip characters.

The four finalists in the sharp dressers' contest were Teddy Broyles, John Troeger, Bill Hinkle, and David Boles. Where else but in Dento—, er, Dogpatch would you see four more handsome specimens?

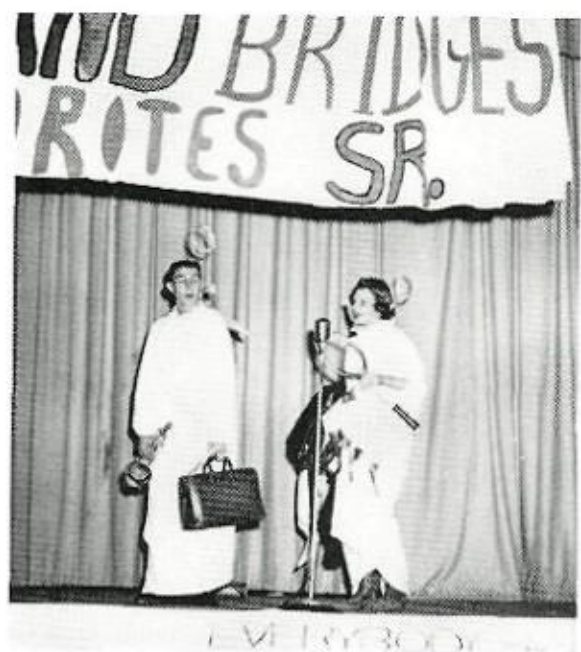

"Outa mah way, 'fore she grabs me and hauls me off to Marryin' Sam," shouts John Troeger as he tries to elude a panting Daisy Mae.

Four fetching females who were finalists in the feminine pulchritude contest were Carol Dooley, Justine Boozman, Jeanne Anne Bridges, and Wanda Waggoner.

Seated: Carol Willis, prettiest girl; Colette Parks, typical girl; Maxine Massey, junior favorite; Barbara Baker, most versatile girl; Mary Margaret McBryde, sophomore favorite; Ann Cochran, friendliest girl. *Standing:* Gunter Knight, typical boy; Lee Amyx, athletic favorite; Garland Warren, friendliest boy; Harold Blankemeyer, most handsome boy; Charles Ray Smith, senior favorite; Lewis Compton, most versatile boy.

At left, Paul Stevens and Kay Williams show their versatility.

Favorites

At right, Dudley Doyle, Billy Ray Mowery, and Bobby Joe Judkins come up from the border to campaign.

Four not-so-slick chicks, Sylvia Fletcher, Rowena Fielder, Darlene Hansen, and Jean Carrington, appear in the prize winning skit.

A dance honoring the favorites and nominees was sponsored by the annual staff and held in the TSCW Union Building Ballroom.

In "You Can't Take It With You," the senior play, Patsy Pierce, who plays an alcoholic, passes out and Wayne Lawson, Kay Williams, Malcolm Branch, and Betty Jackson try to revive her.

Stewart Jackson, Russian ballet teacher, shows Terrell King how to wrestle as Janelle Grimes, Barbara Baker, and Jimmy Gage look aghast.

"You Can't Take It With You"

Three makeup artists, Ralph Adams, Stewart Jackson, and Wayne Lawson, work on play characters, Kay Williams, Donald Gabbert, and Miles Schulze.

The senior play was directed this year by Mrs. Opal Hall. She was assisted by former DHS students, Ewing Cooley and Thurman Adkins.

Gunter Knight, internal revenue man, accuses John Caulfield, Grandpa, of evading income taxes. Freda Goodner and Charlotte Ober watch.

Three government men, Oliver Rankin, Jay Weldon, and Garland Warren, bring Nan Kibler and Sybil Jordan down for questioning.

Ballerina Darla Estes offers John Caulfield tea as Miles Schulze, Donald Gabbert, Stewart Jackson, and Freda Goodner watch.

Kate Blackwell and Floyd Halbert were chosen best dressed. The bull fiddle is just a prop.

Doyle Chrisman of the Faculty All Shots goes up for an easy layup as Charles Wilson waits for a rebound. Billy Reed (45) and James Shelton (35) attempt to stop Chrisman. The All Shots lost to the Pony team, 18-22.

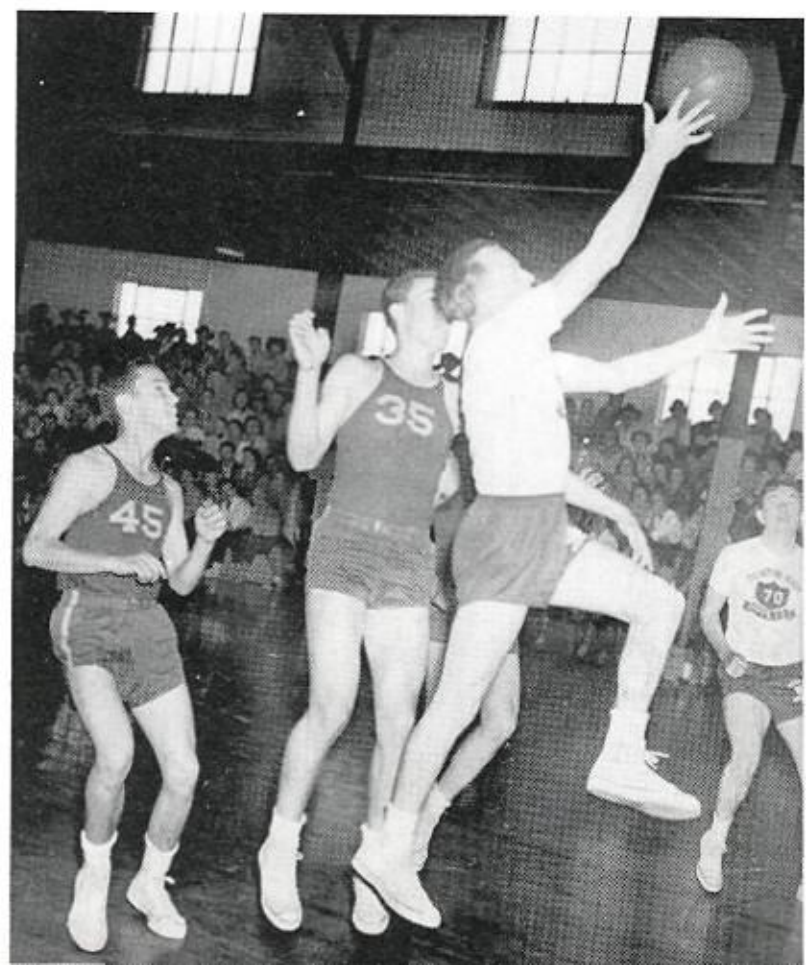

The Western Melody Makers, Kenny Massey, Billy Erwin, Sidney Erwin, and Melvin Robinson, furnished the music for the Western Day barn dance.

Western Day

The junior class sponsored the Western Day celebration this year, booth, hats, and all. Proceeds from the barn dance and the faculty basketball game went to help pay for the Junior-Senior Prom.

Granny Shands leads the faculty cheering section at the basketball game.

Here is the finale of the greatest show on earth, the Faculty Follies of '54. Denton High faculty members thought about taking the show on the road or to Broadway for a few weeks, but decided against it after so many students complained about not having to go to school during that time. After all, the education of American Youth comes first.

On the faculty assembly, Master of Ceremonies Chester Strickland helps the Up Hill Boys with a musical number. Professor Carroll McMath is teaching H. D. Roberts and C. C. Jones the finer points of playing in the band.

High School Highlights

Faculty women, Betty Boyd, Kay Gilmore, Virginia Toulouse, Carolyn Dobbins, Virginia Moore, and Maxie Dibble, kick high to the can-can.

In the bottom picture the beauty shop belles give out with a sweet melody. They are: Kay Hanley at the piano, Cecile Bell McKelvey, Kate Smoot, Katherine Shuford, Geneva Zerwer, and Jane Shands.

Publications Advisor Charles Wilson, right, supervises an issue of the newspaper as it is being made up on the stone.

JOURNALISM

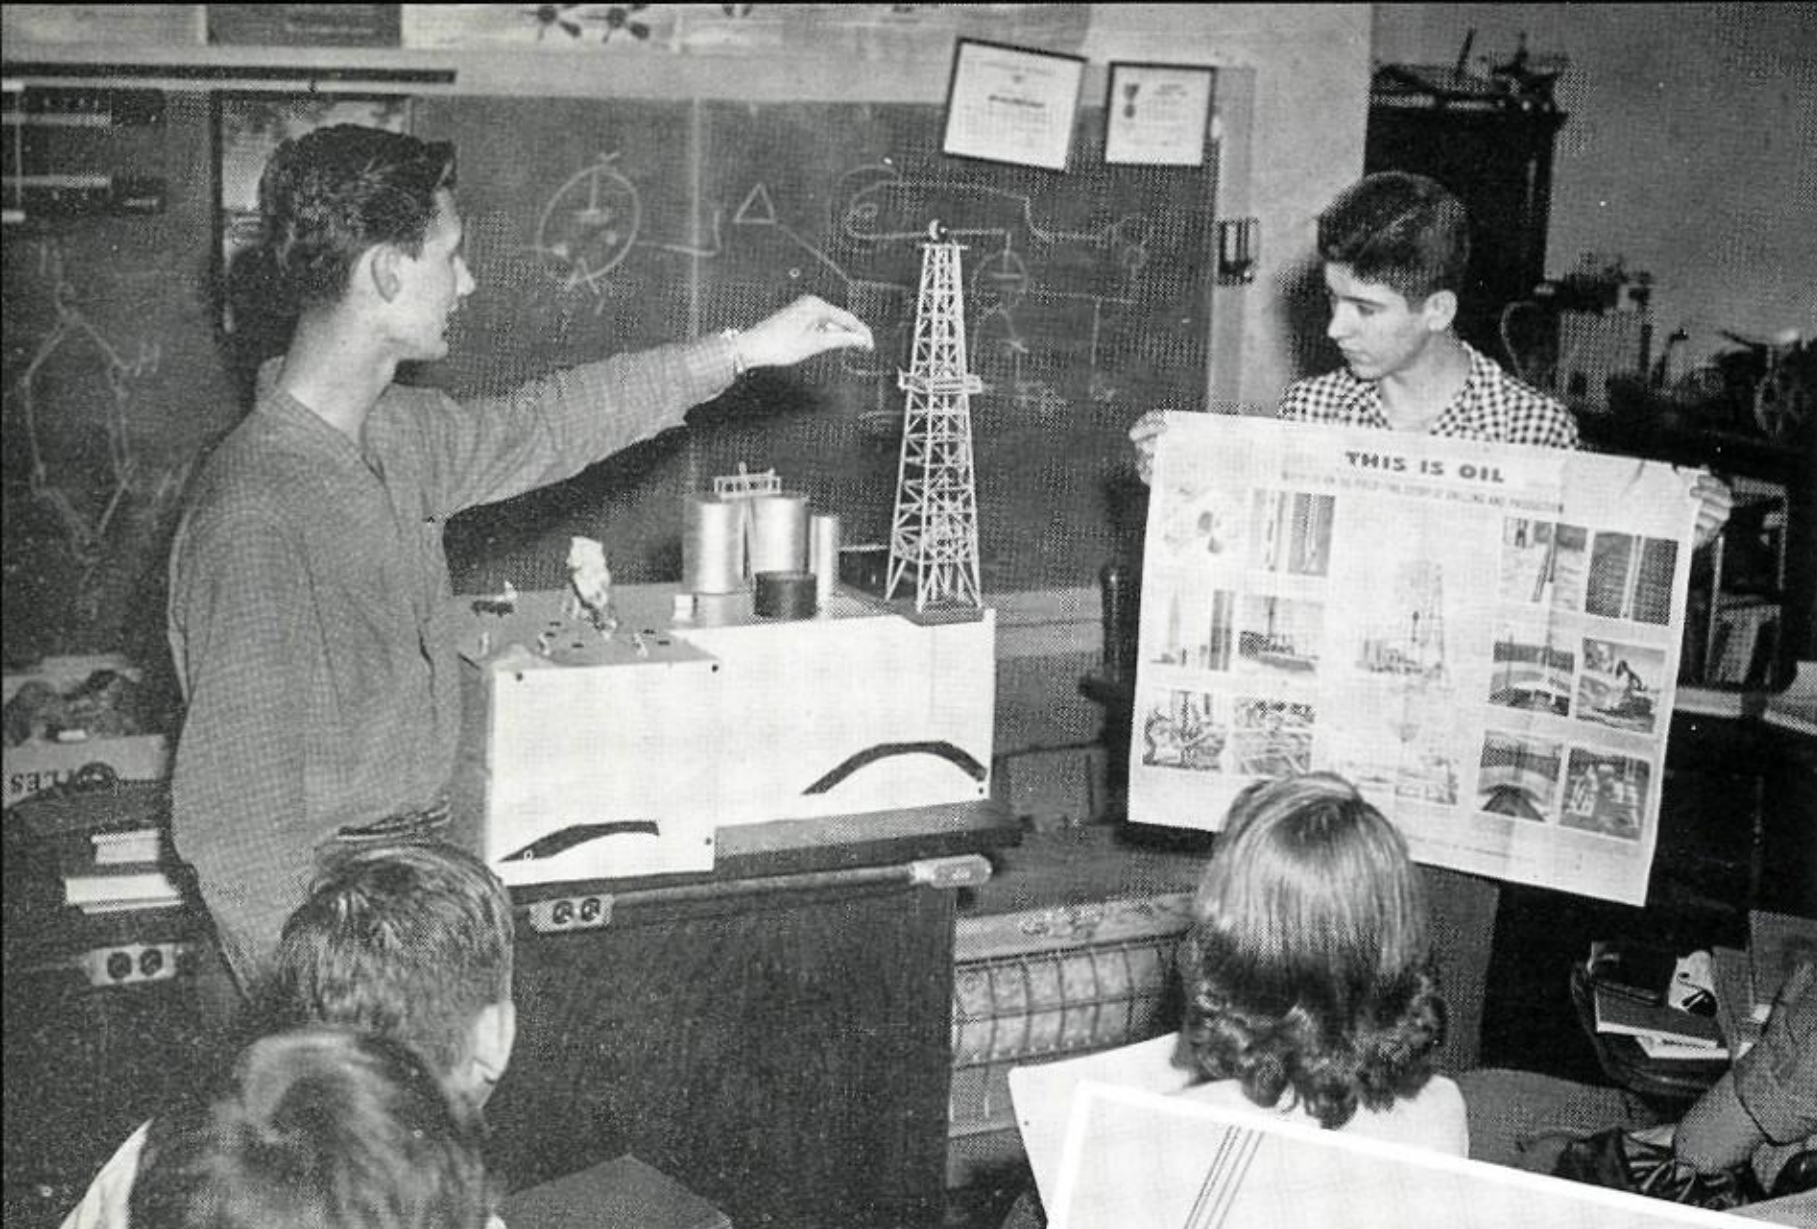

The art of expression and communication has become an important skill to be taught and learned in high school. Journalism students are fulfilling a two-fold purpose as they publish Denton High's two publications, the Horseshoe and the Bronco. The newspaper and annual serve as an important link between the school and community as they attempt to give a true picture of high school activities.

Editor-in-Chief Kay Williams, left, keeps a watchful eye on Society Editor Phyllis Ingram and Reporter Sue Pitt as they prepare the mailing list.

The annual staff presented a short skit on assembly to launch their Bronco sales. Here Editor-in-Chief Barbara Baker is being carried off on a stretcher after a too-hectic session with her staff.

Class projects like this model of an oil well help students realize what a vital part science plays in our everyday life.

SCIENCE

Several students, along with Mr. Wayne Taylor and Mr. R. R. Hyman, attended the Texas Junior Academy of Science meet in Galveston last December.

Young scientists in Denton High get a very comprehensive survey of science at work in their chemistry, biology, and physics classes. The courses are geared to a high school level and students learn practical things which will stand them in good stead, whether they plan to continue in the science field or go into some other suitable profession.

One of the highlights of the year for the science department was their move to their new wing the first of February.

BEFORE

The homemaking department moved into its new wing during January. The transition was like a ray of sunshine to the students and instructors. The modern surroundings gave a vivid contrast to the drab equipment and rooms which the department had occupied previously.

HOMEMAKING

AFTER

Homemaking covers a variety of things. It includes beauty care, such as the demonstration here shows, gardening, home beautification, meal planning, clothes designing, and many other helpful ideas for the homemaker.

On their annual assembly, the Future Homemakers' Club crowned Vaughn Wayne Meadors as their king. Note the appropriateness of the skillet crown.

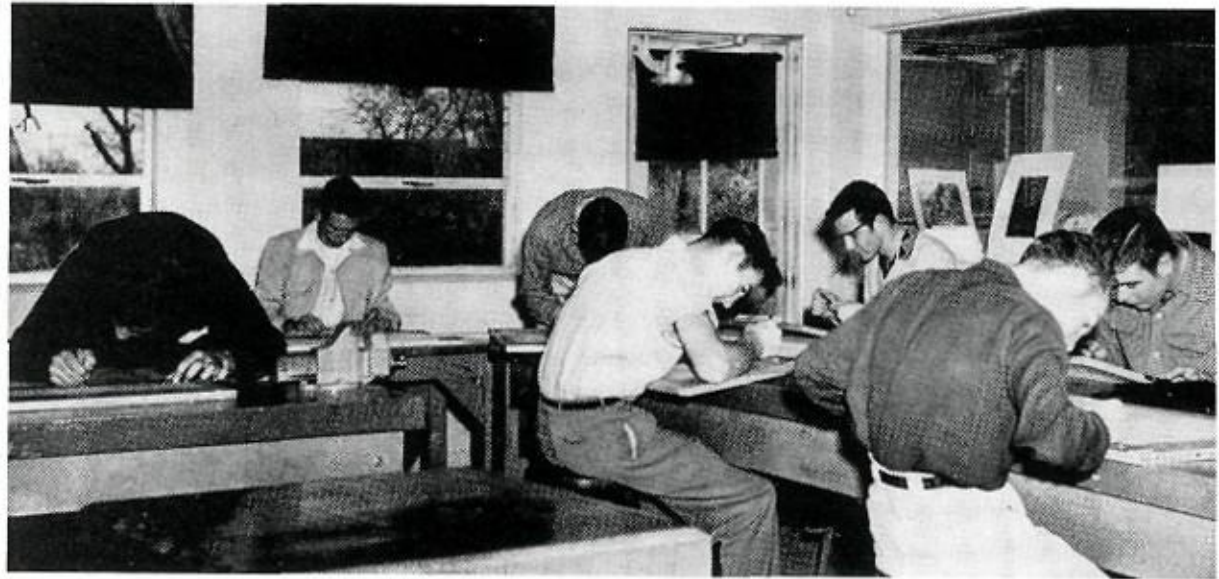

INDUSTRIAL ARTS

Shop Instructor Wade Frederickson explains to his woodworking class the fundamentals of wood turning on the lathe.

Denton High offers one of the most complete Mechanical Drawing courses in the state.

The satisfaction of creating things with the hands and, at the same time, learning a skill or trade are two of the primary purposes of the Industrial Arts Department. Here boys and girls work with wood, metal, leather, ceramics, plastics, and drawing tools for a more satisfactory use of leisure, as well as occupational time.

Students, such as Ruby Fuller, work in pleasant, congenial atmosphere as they learn merchandising.

DISTRIBUTIVE

Distributive Education is a relatively new phase in the modern concept of educating young citizens for their role in community life. D.E., as it is called, is the study and on-the-job training of high school students in the field of distribution of goods and services.

VOCATIONAL AGRICULTURE

Repairing farm machinery is one of the many things learned in vocational agriculture shop periods. Boys actually bring work from home to weld and repair.

Vocational Agriculture is a "trade" school for boys who are interested in farming, raising livestock, and general agricultural practices. They make field trips to farms and ranches in the county to study recognized practice. They also have home projects of livestock or crops and keep minute records of all business transactions pertaining to their project.

It seems that these "farmers" have pretty good taste in feminine pulchritude. They chose Mary Lou Moore as their chapter sweetheart.

Every phase of retailing is learned, from merchandising to selling. Here, Helen Coulter makes signs for a coming sale.

EDUCATION

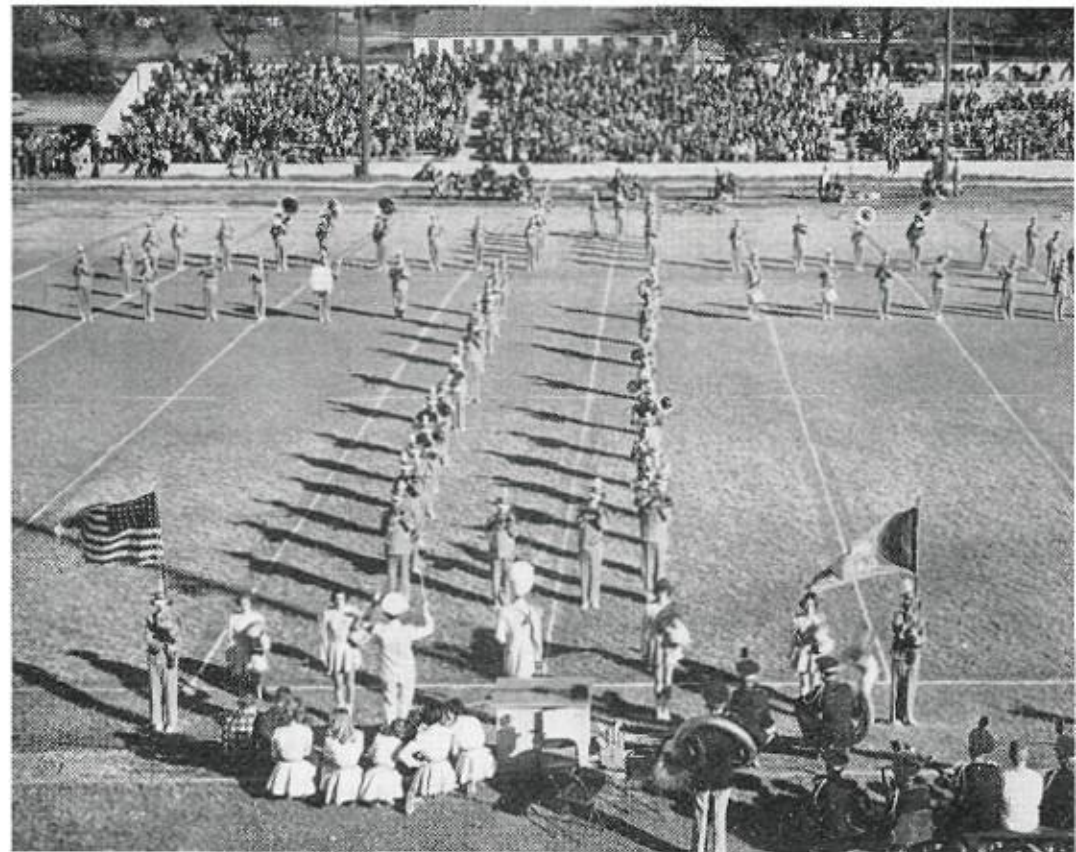

Students enroll for their regular academic courses in the morning, but in the afternoon and on Saturday, they work at various retail or service stores in Denton. The Distributive Education Coordinator, Mr. Homer Bronstad, keeps in close touch with each employer to check on the progress of the trainees.

MUSIC

A lot of work goes into transforming the group at the left into the one at the right. A band needs to put forth some good music to go along with its marching routine.

The Music Department of Denton High School has quite a string of achievements behind it. Both the Bronco Band and the A Cappella Choir have won state recognition, both in group work and in individual solos.

This speaks well for the excellent training students are getting in instrumental and vocal music. Music appreciation is stressed very much, also.

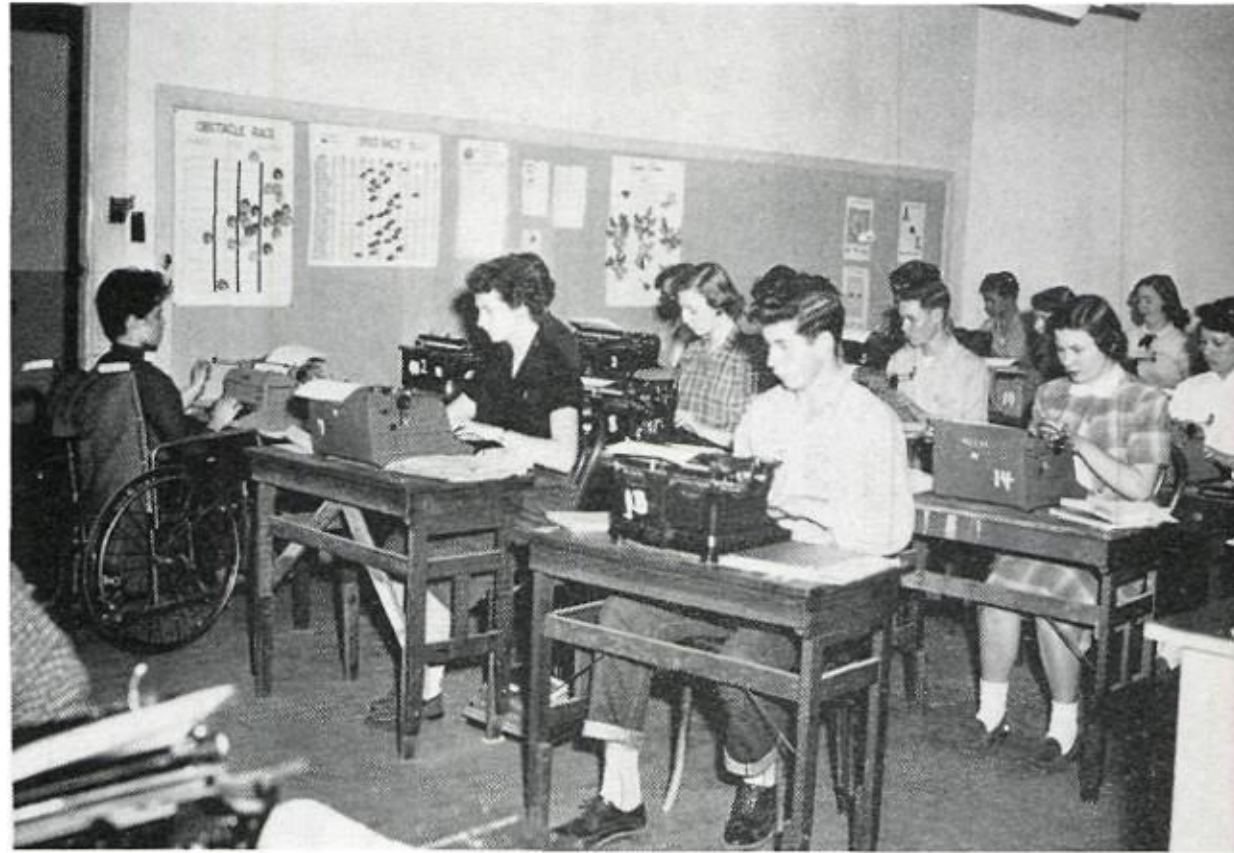

Below, the A Cappella Choir, under the direction of Mr. Jerry Jackson, rehearse a number scheduled for presentation on a future program. Each note has to be perfect. Sometimes, a whole period is devoted to getting just the right inflection into a measure.

COMMERCIAL ARTS

In typing, practice makes perfect and students have frequent speed tests and drills to increase their speed and perfection. Colorful wall charts add to the challenge of the class.

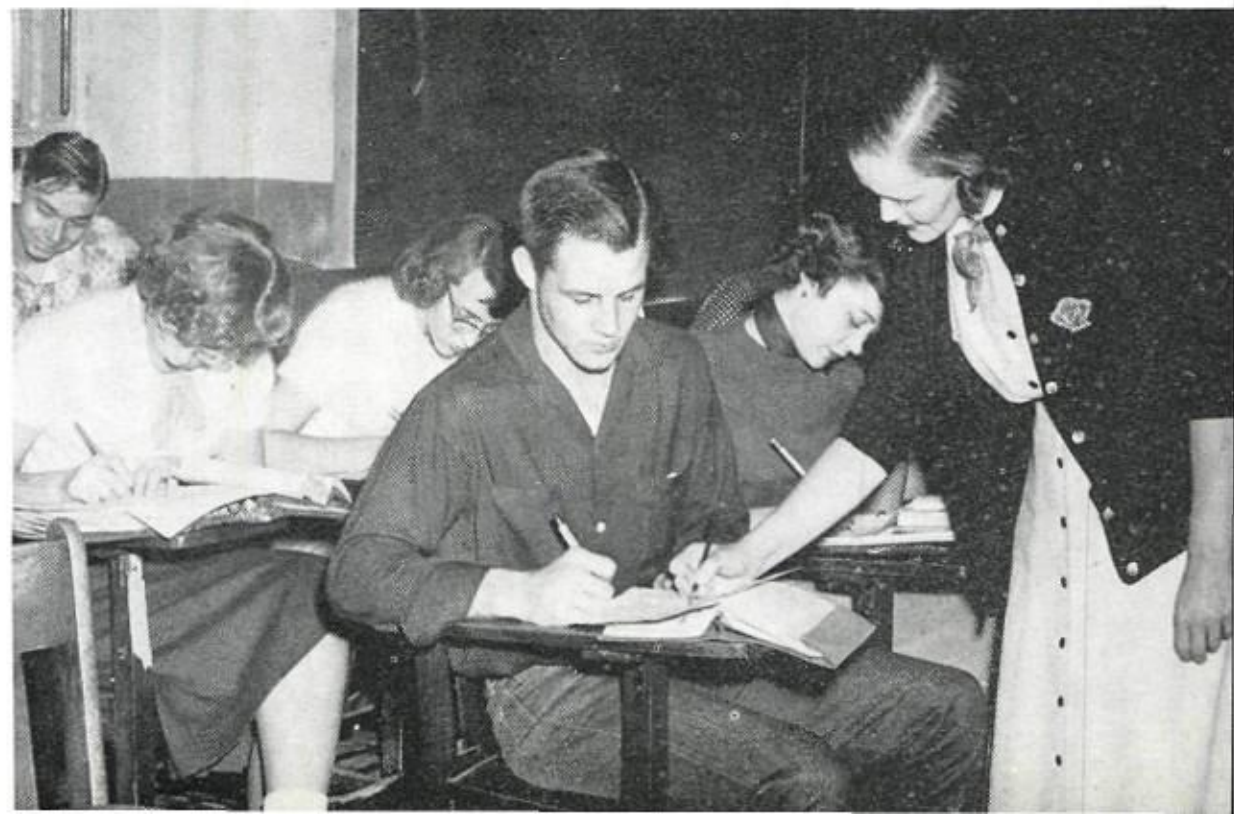

The Denton High Commercial Arts Department offers a wide variety of subjects to prepare students for the business and commercial world. Beginning and advanced typing is offered, along with shorthand, bookkeeping, secretarial training, and stenography. The department also tries to help the student in job placement and recommendation.

MATHEMATICS

Although most of the math classes are overcrowded, the teacher attempts to give as much individual attention and help to the student as she can. Here, Mrs. Maurice Hutchinson, algebra instructor, helps James Cogdell with a problem.

Denton High is rather proud, and justly so, of its achievements and records in preparing students for vocations dealing with mathematics. Not only are two years of algebra and one year of general math offered, but boys and girls may elect to go farther and take plane and solid geometry or trigonometry. Needless to say, the classes never want for students.

LANGUAGES

ENGLISH

English teachers attempt to supplement their literature and grammar classes with audio-visual material. Here, Miss Eulah McElroy shows her Senior literature class some slides from England.

SPANISH

Foreign language courses try to teach the customs and mores of the different countries, as well as how to speak, read, and understand the language. Here, Spanish students learn one of the native dances of Mexico.

LATIN

Students are usually fascinated when they learn how many of our English words stem from a Latin root. This knowledge is of great value in understanding our own language, as well as others. Here, Latin students demonstrate the dress of early Romans.

FRENCH

Students try to capture the thrill of the French sidewalk cafe. They learn how to read menus printed in French and how to order and recognize French cooking. Travelogues also aid in showing a true picture of France.

Students learn the fundamentals of stage make-up in their dramatics classes as well as self-confidence and poise on the stage.

SPEECH

Learning how to express oneself orally is of prime importance to this department. Students overcome shyness and speech handicaps in a way which is fun for everyone.

Plays are presented on assembly programs several times during the year. Students write, direct, and act out their own productions.

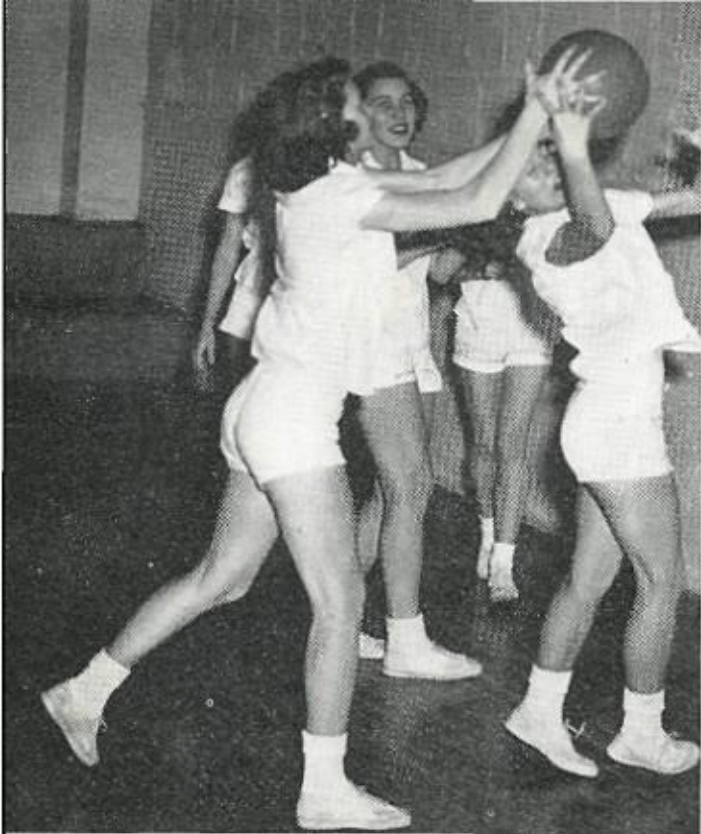

Individual training is given to students for contest participation and they travel all over the state to enter these tournaments. In fact, Denton High speech students are respected in all the best circles because they are such frequent winners in invitational tournaments and Interscholastic League contests.

Here, an all-girl cast read through their lines for a drama to be presented on assembly.

Students from both the colleges in Denton helped install the local chapter of Footlight players.

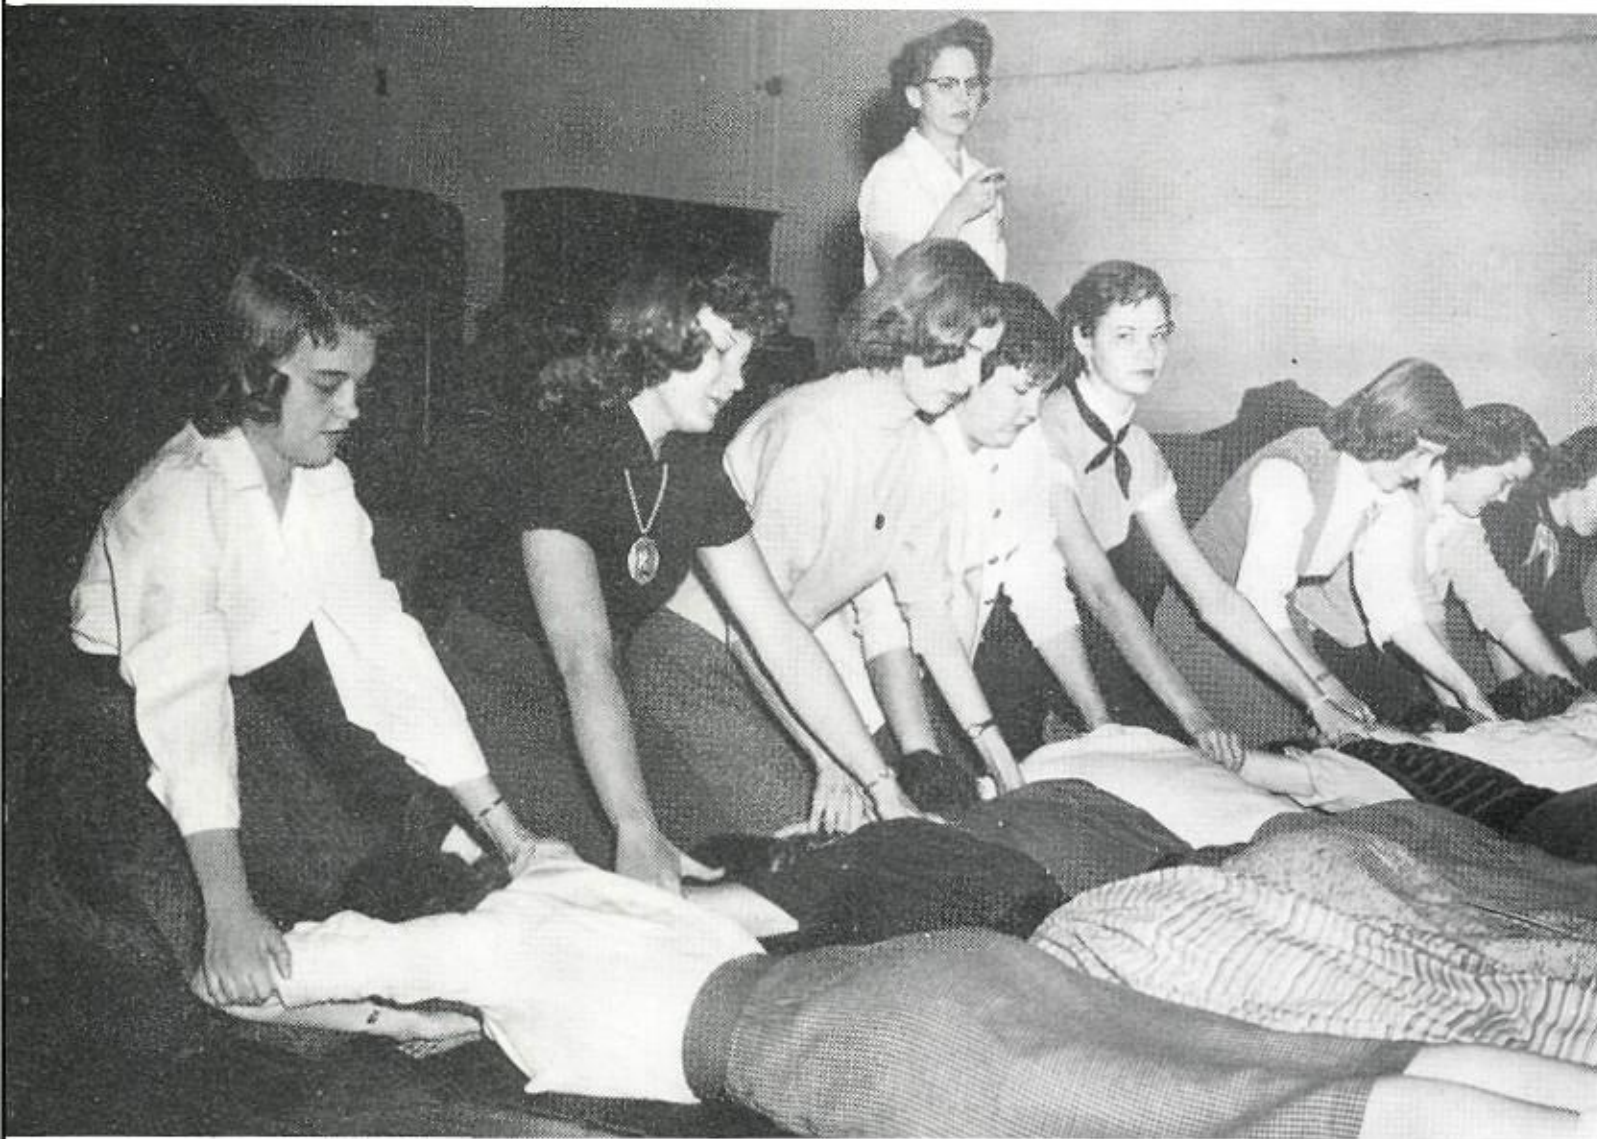

Competitive sports which are in season afford both boys and girls a chance to exercise and learn the fundamentals of playing well together.

HEALTH AND PHYSICAL EDUCATION

The Physical and Health Education program at Denton High School places a great deal of emphasis on taking care of the human body. Exercise also plays an important role in the program. Students are taught nutrition, first aid, and good grooming as a part of a balanced course of study. The department also aids in preventive programs, such as testing for defective vision and hearing, chest x-rays, etc.

Here, girls learn how to give artificial respiration in their health education class. Other methods of first aid, such as bandaging, care for the sick, etc., are also stressed.

Also included in the physical education program are competitive sports. Here, outstanding members of the Bronco football team are honored at an annual sports banquet.

SOCIAL STUDIES

Individual projects help students visualize the structure of present forms of government, from the local level to the international. Here, Harold and Gerald Blankemeyer explain to the American History class their poster of the United Nations organization.

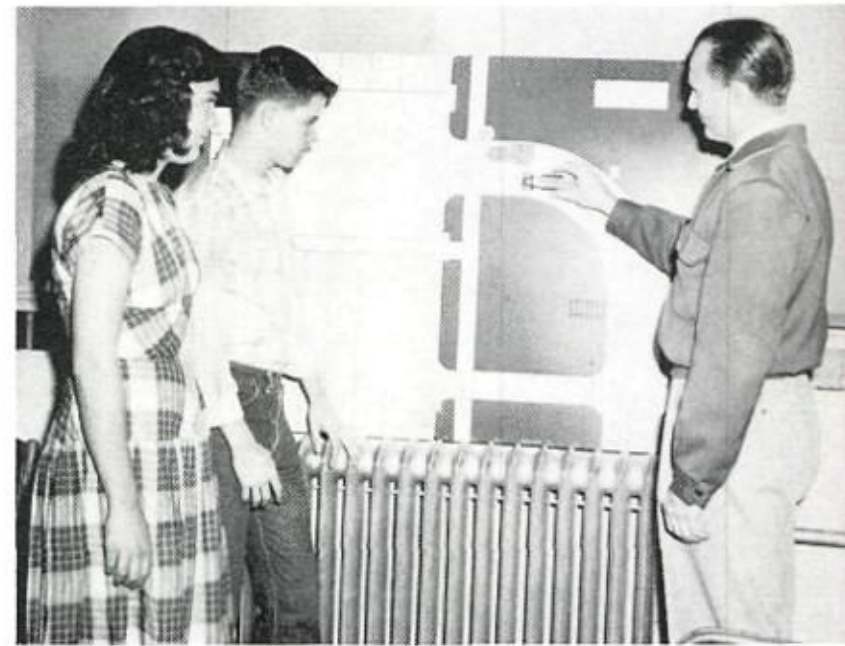

Early training in ballot casting will help these young citizens when they reach voting age and are able to choose their own public officials.

The Social Studies Department operates on the theory that high school students are citizens today, as well as citizens of tomorrow. Most of them leave their courses in American History, Civics, Economics, and Sociology with a better understanding of the workings of democracy than their elders. The principles upon which these United States were founded are installed into their minds and they begin to appreciate their heritage.

DRIVER EDUCATION

Recent surveys have shown the amazing decrease in the accident rate of students having had Driver Training as compared with the increase in the rate of those who have been haphazardly trained by parents and friends. If human lives and suffering could be measured in dollars and cents, the value of this course would run into countless millions. Students are given a semester of intensive Safety Education, which is followed by a semester behind the wheel of a car.

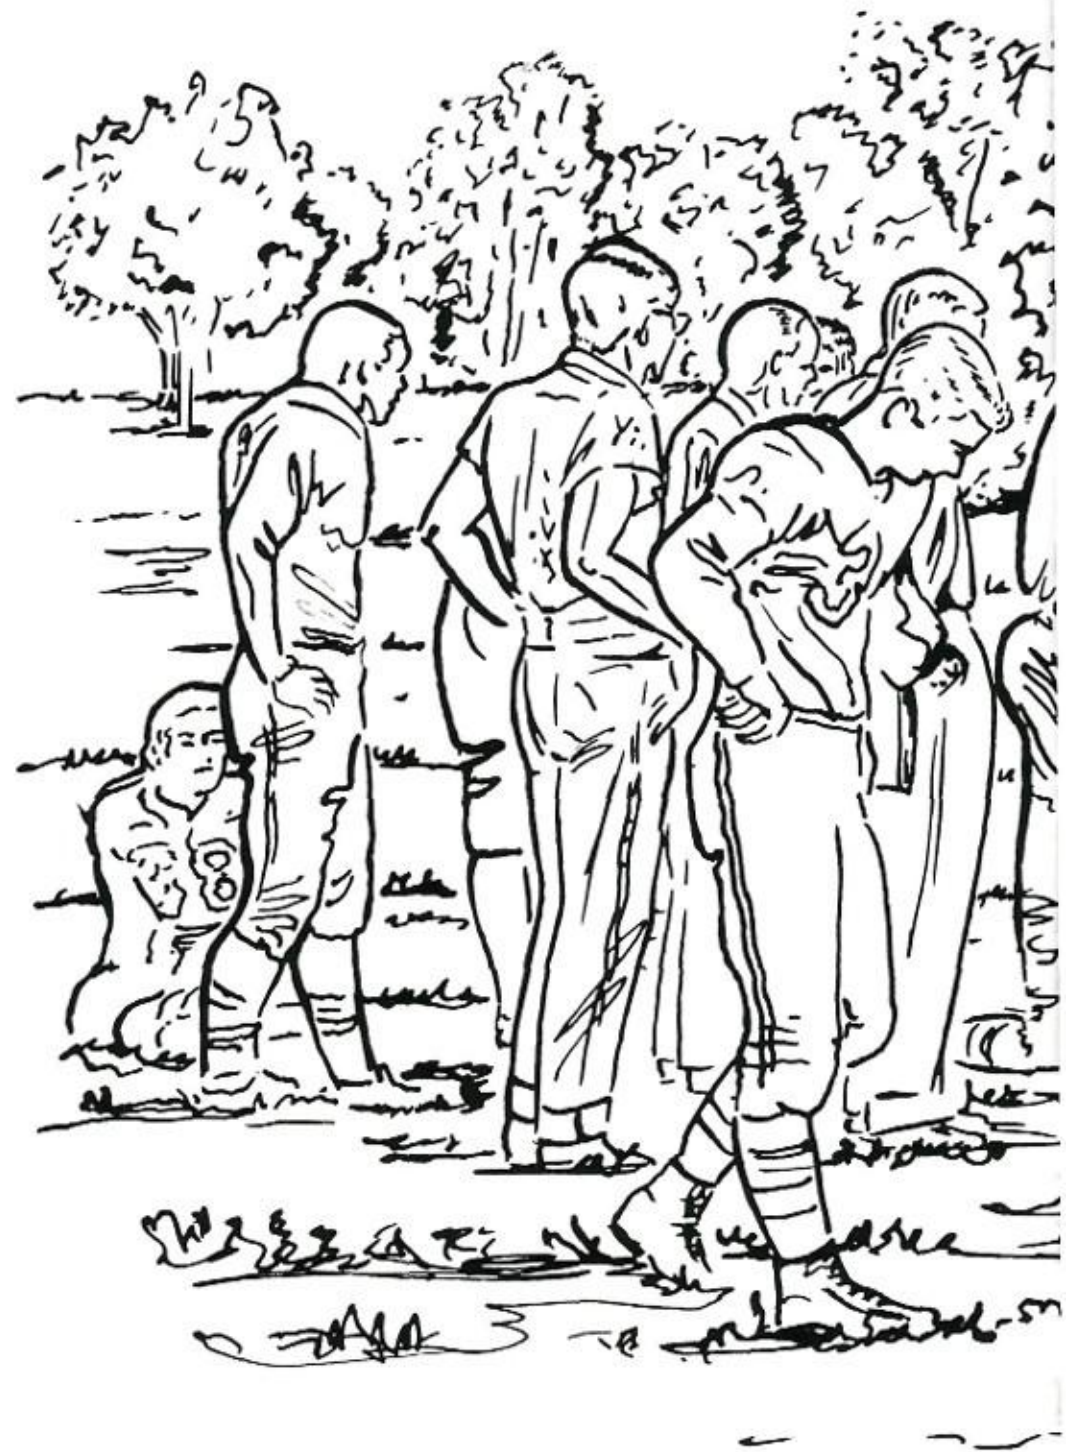

Traffic problems and situations are set up on this traffic board with model cars to show neophyte drivers the right and wrong way to handle their automobiles.

Dual-controlled cars are furnished the students, not only to learn to drive, but to learn how to maintain and service efficiently. Here, Driving Instructor Doyle Chrisman points out vital parts of an engine.

Just a mad scramble.

DENTON—26 ARLINGTON—7

A highly spirited Bronco team opened the season against Arlington September 18th. Spear-headed by a strong defense which held the Colts to 37 yards rushing, the Broncos scored while only one minute deep in the first period. Gunter Knight gathered in a screen pass on Arlington's 40-yard line and raced all the way untouched.

DENTON—14 GARLAND—0

After a sluggish first half the Broncos came back to score both touchdowns in the fourth period to defeat the Garland Owls, September 25th. Again sporting a strong defense which saw the Owls halted on three consecutive drives, the Parkermen capitalized on a short punt to start the ball rolling. Bobby Judkins and Lewis Compton scored the TD's and Bill Cogdell converted both times. Stand-outs were Bill Carrico, E. J. Weldon, Bobby Grisham, and James Cogdell.

Judkins sweeps end as Carrico and Warren high-low an opponent.

DENTON—6 WAXAHACHIE—13

The Broncos received their first defeat of the season from the Waxahachie Indians, October 2nd. After three scoreless periods, quarterback Bill Cogdell sneaked over from the two-yard line with less than a minute remaining in the game. Standouts were Gunter Knight and Oliver Rankin.

Broncos Won Five, Lost Five for Season

DENTON—19

FT. WORTH TECH—6

Denton got sweet revenge by defeating the Ft. Worth Tech Bulldogs, October 8th, after being beaten the previous week. Boasting a sparkling offense with such standouts in the backfield as Gunter Knight, Lee Amyx, and Oliver Rankin and the flawless signal calling of quarterback Dub Land, the Broncos scored in every period, but had one called back because of a penalty.

Cogdell carrying, Gage blocking.

DISTRICT

DENTON—13
DENISON—7

Playing their best game, so far, of the season, the Broncos defeated the favored Denison Yellow Jackets, October 16th. The Parkermen scored while only two minutes deep in the first period. Oliver Rankin took the ball on the Jackets' 40 and galloped 25 yards before he lateraled to Bobby Judkins, who raced the remaining distance. The second tally came late in the fourth quarter when Judkins cracked over from the two after a 90-yard drive. Playing a good game for the Broncos were Rankin, Bill Carrico, Garland Warren, and Tommy Joe Knight.

DENTON—12
PARIS—27

The Broncos lost their first district game, October 30th, to the Paris Wildcats. The Broncos' first score came when Curtis Land ran 16 yards around left end on a quarterback keep. After Paris scored their second TD, the Broncos drove 63 yards for the second score. The drive was spearheaded by a tackle pass to Bill Carrico, who went for 30 yards. From there Land passed to Jimmy Gage for the score. Outstanding in the game were Durwood Knight and Roy Taylor.

Land carrying, Rankin, Warren blocking.

Knight carrying.

DENTON 24
GREENVILLE 14

After a sluggish first half, the Broncos went on to defeat the Greenville Lions, November 6th. Lee Amyx scored the first TD on a plunge over guard from the 2. Gunter Knight came back right after the half and scored on a 41-yard gallop. Tommy Joe Knight caught a 30-yard pass for the third tally and James Cogdell intercepted a Lion pass from 30 yards out and scampered over for the fourth score.

GAMES

DENTON—13 McKINNEY—21

The Broncos lost all hopes for the district championship on November 13th when the McKinney Lions defeated the Broncos, 21-13. McKinney got two quick TDS and were never behind. The first Denton score came when Curtis Land passed 30 yards to Jimmy Gage with only 13 seconds remaining in the first half. Lee Amyx converted. The other score came when Gunter Knight took a quick pitchout and ran 15 yards. The Parkermen were behind 14-13 and driving for another score when a Lion player intercepted a pass to end the drive. Oliver Rankin and Garland Warren turned in good games for Denton.

Gunter (36) and Sug (39) Knight team for tackle.

Land carries as Cogdell and Warren block.

DENTON—0
SHERMAN—7

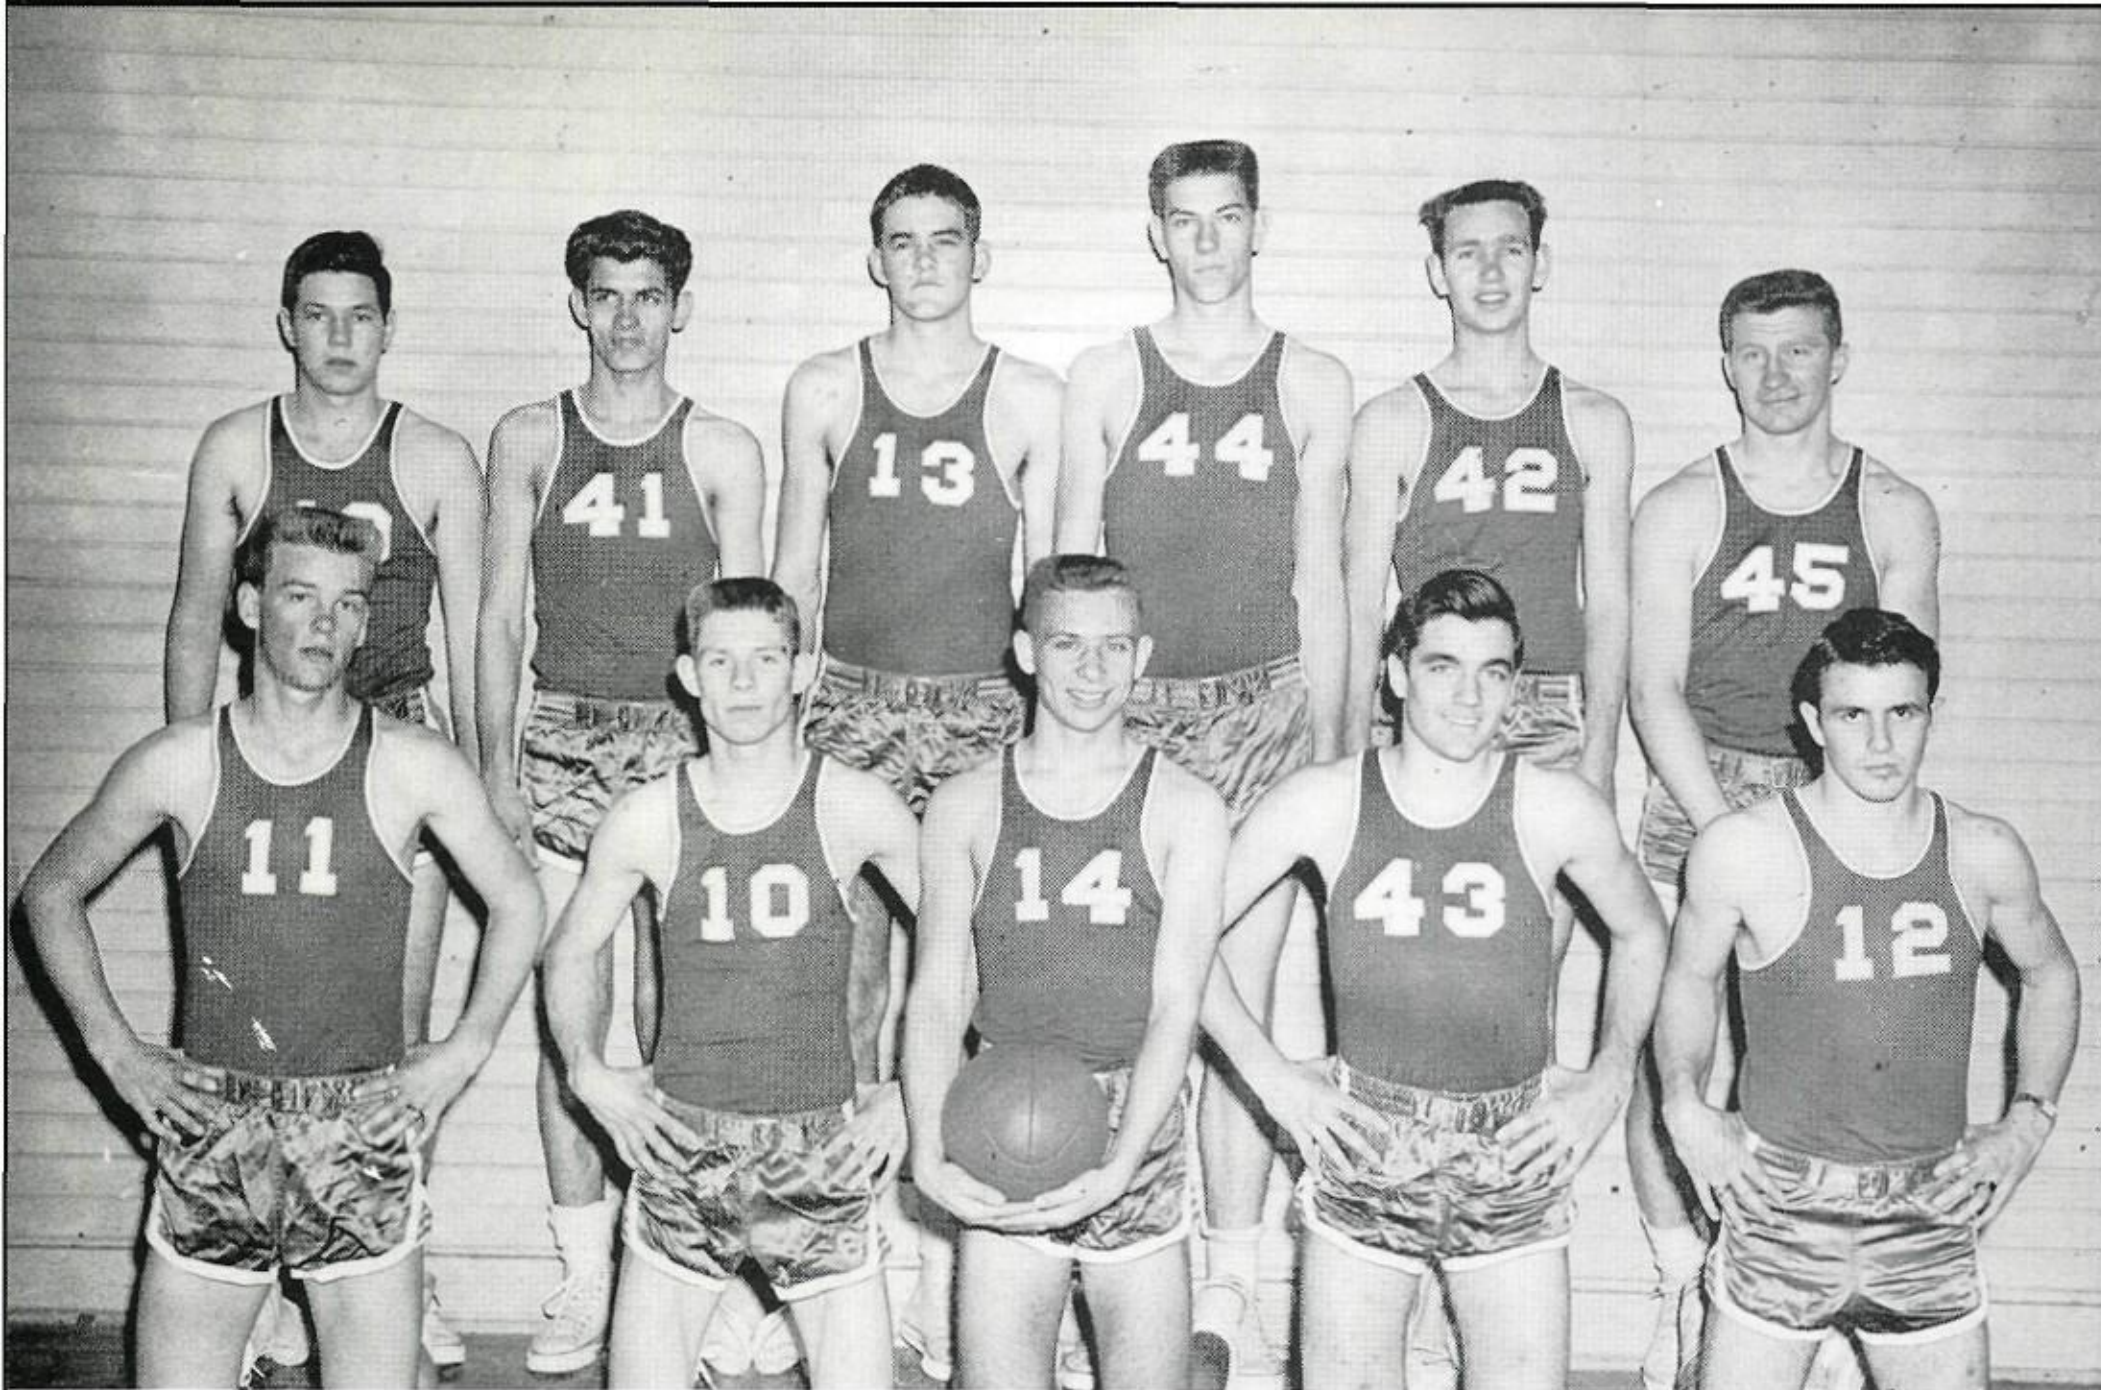

A rugged defense, spear-headed by Bill Carrico and Garland Warren, held the Sherman Bearcats to only 7 points, November 20th. The Bearcats came into the game sporting the best record in the district. The Broncos held the Sherman team scoreless until the last four minutes of the game before a homecoming crowd of 3,500. This was the only game in which the Broncos failed to score.

Compton catches a touchdown pass.

DENTON—12
GAINESVILLE—26

The Denton Broncos closed the 1953 season with a defeat at the hands of the Gainesville Leopards, 12-26. Denton's first score came on the second play from scrimmage. Gunter Knight went off tackle and raced 71 yards behind perfect blocking. The second tally came from a pass from Bill Cogdell to Lewis Compton from 20 yards out. The Leopards represented district 3AAA in the state play-offs.

1953 TENNIS LETTERMEN

Denton High netters came in second in the district last year behind Highland Park of Dallas. However, most of the members of the team were inexperienced then. This year will see a marked difference in their game, gained through hard practice during the past year.

First row: Betty Fultz, Sally Hannah, Karen Wilson, Marsha Hall. Second row: Marcella Parker Deussen, Dan Hinkle, Bill Hinkle, Lewis Compton, Lynn McClurkan, Barbara Baker. Not pictured: Miles Schulze.

TENNIS

Prospects for the 1954 tennis season looked bright as the yearbook went to press this spring.

Five returning lettermen helped form the nucleus of the team. Several good prospects moved up from Junior High. Among them was Dan Hinkle, sophomore, and brother of letterman Bill Hinkle. The Hinkle brothers have teamed together all year to win trophies and tournaments in this area.

Coach "Zeke" Martin, who was an outstanding tennis star in his high school days at Denton High, held the reins for the second year as tennis tutor.

1953 TRACK LETTERMEN

Coach Doyle Chrisman returned to his coaching duties during the 1953 track season from a leave of absence to serve in the Air Force Reserve.

He was faced with the problem of rebuilding the track team into a winning one. He was moderately successful, since the Denton High team came in second in district competition. Two harriers, Lee Amyx and Bill Carrico, took firsts in the district meet. Amyx set a new district mark in the broad jump and Carrico took the blue ribbon in the weight division.

An even better showing is expected of these boys this year, since there are more lettermen returning and the prospects from new boys look good.

GOLF

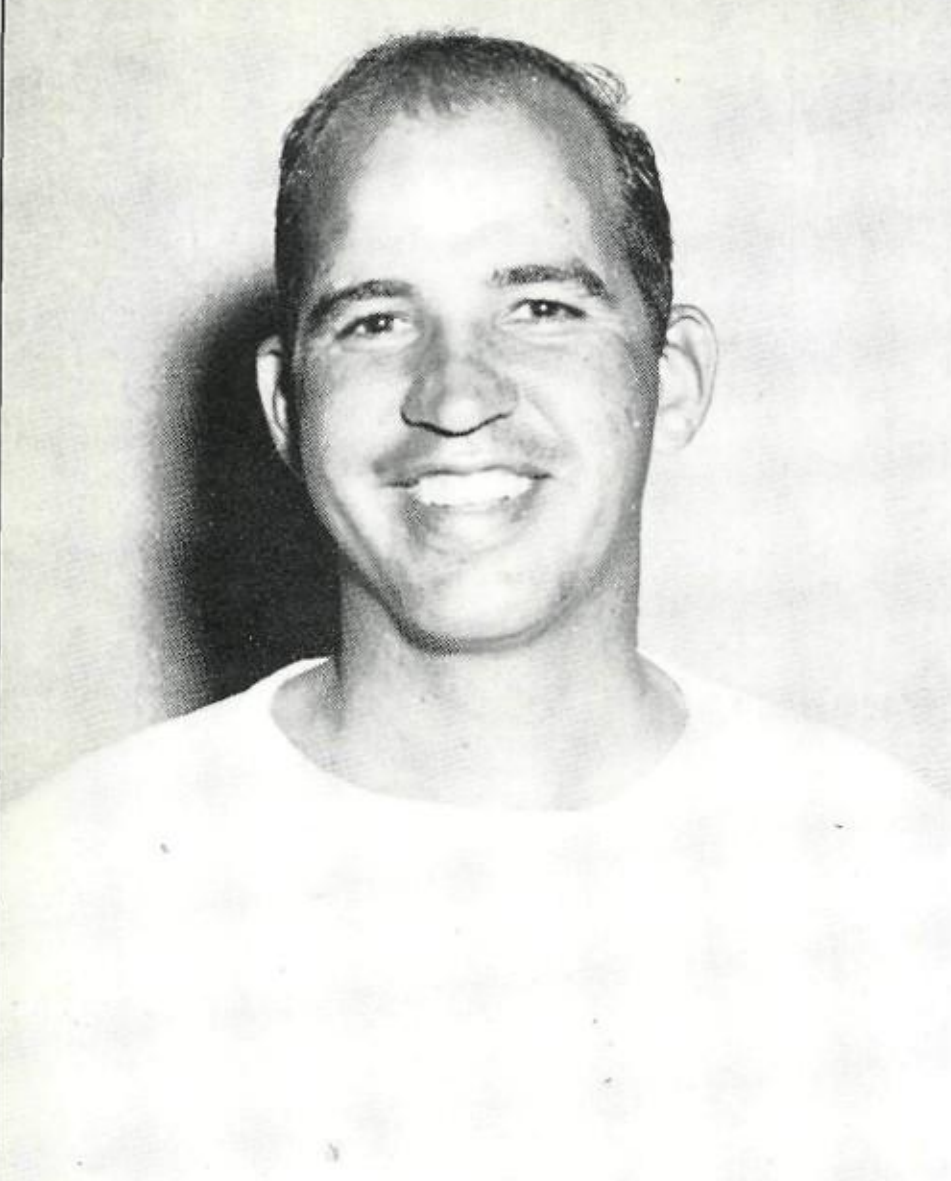

This was the second year that an organized golf team had represented Denton High School against other schools in this area.

Three lettermen from the 1953 team formed the nucleus of the 1954 team. They were Lanier Wilson, Joe Bowers, and Donald Moore.

Helping these three out in the team matches was Don Hurst, sophomore, with quite a bit of tournament experience behind him.

Golf, like track, is a sport that calls for a great deal of individual ability. These boys spend a few hours nearly every day of the year practicing their putting, drives, and approach shots. Most of them have been playing since they were as tall as a golf club and have developed a sincere love for the game.

Last year the team placed second in district competition behind Highland Park. This entitled them to enter the regional meet in Dallas.

CECIL (ZEKE) MARTIN
Coach

This marked the second year that Coach Martin guided the young amateurs on their tours of golf links in this area.

1954 GOLF SQUAD

Lanier Wilson, Jackie Harris, Don Hurst, Dick McClendon, Joe Coulter, Jerry McCombs, and Joe Bowers.

1953 GOLF LETTERMEN

The golf team of 1953 was the first one Denton High School had sponsored in several years. Popular demand from the boys and opportunity for matches with surrounding cities brought back this highly competitive and skillful sport. Most of the team had been playing golf on their own for several years, but having a team of their own gave them added incentive to better their game.

JOE BOWERS

DONALD MOORE

LANIER WILSON

Denton has always been a good golfing town, having two 18-hole courses. It is also the home of the famous North Texas State College Eagle golfing team, which has been national collegiate champion for four consecutive years.

Compliments of

A FRIEND

Autographs of friends . . .

Once again the end of the school year is here. The prospect of summer vacation sends happy echoes through the resounding halls of Denton Senior High School. Some will walk down these steps for the last time, never to return again. Some will be happy, some will be sad; others will be bewildered by the future ahead, but most will be prepared to face that future squarely and honestly, knowing full well they are ready.

If these stained and stolid walls could speak, what secret would they reveal? Are they merely masses of rock and mortar, used only for a functional purpose? No, this and other buildings like it are living symbols of man's thirst and quest for truth and knowledge.

As you go out the door, down the steps, and on the sidewalk, stop, look back and up at the silent majesty of this building. Give it a smile and a "Thank You" before you go on your way.
